ASSHOLE OF THE MONTH

Maybe God didn't make no junk, but a lot of it sure is attracted to Him. Hardly a Sunday goes by that some poison toad of a pulpiteer doesn't mistake a sphincter for a halo and pull it down over his preachifying head. It's a tight fit, but Pastor Darrell Gilyard has squeezed his ungodly, swollen skull into a set of sanctimonious shit rings, becoming HUSTLER's Asshole of the Month for December 1991.

Until news of his wandering dick tripped him up, 29-year-old Gilyard was the fastest-rising black star on the Southern Baptist Bible-thumping horizon. In fact, he may have been the only black star in the Southern Baptist skies, a sort of Afro-American sun shining upon Christ's benighted crackers. But the inspirational parable of Pastor Darrell's life story has been eclipsed by the legend of his libido.

"I've always been image conscious," admits Gilyard, an understatement from the Vanilla Ice of the evangelical racket. "My life as a poor, black teenager is burned into my brain," insists Darrell, whose widely disseminated account of his formative years has been disputed by many who shared them with him. "As a 13-year-old boy," allegorizes Darrell in a sermon videotaped at Jerry Falwell's Thomas Road Baptist Church, "I couldn't find a place to live. So I went and made myself a home under the bridge that separated east from west Palatka. I'd bathe out in that river. Sometimes the police would come by in the winter and let me spend the night in jail, for which I'm grateful."

Darrell parlayed this fantastical vision of his youth into semiregular guest-orator appearances on Falwell's nationally televised *Old Time Gospel Hour,* with a promotional video, *The Darrell Gilyard Miracle Story,* aggressively huckstered by the Falwell machine.

Presumably, Falwell's minions never spoke to Mrs. Barbara Davis or Lieutenant Robert Ricks.

"If the kid had been growing up under the bridge," speculates Ricks, a 24-year veteran of the Palatka, Florida, police force, "it looks to me we would have known it. [The sheriff's department] had a boat ramp that went straight into the river. They wouldn't have missed seeing him."

"He may have washed himself in the river," grants Mrs. Davis, who takes credit for rearing Gilyard from ages eight months to 18 years, "but he didn't have to. My Lord, we got a bathroom and a half here."

But adequate facilities at home are no guarantee that a man won't look outside for the fulfillment of his bodily functions. Gilyard, for instance, is pointedly remembered for his strident antifornication tirades and has a pretty, devoted wife. Her charms didn't stop as many as 25 Concord Missionary Baptist Church ladies from ascribing sexual improprieties to Gilyard during his nine months as assistant pastor to the Oak Cliff, Texas, congregation.

After his 1987 firing from Concord, Gilyard slithered on to an assistant pastorship at Hilltop Baptist Church in Norman, Oklahoma. Less than a year later, he snaked an assistant's position at Shiloh Baptist in Garland, Texas. Sexual allegations hounded him in both locations, but he squirmed free to land at Victory Baptist Church in Richardson, a Dallas, Texas, suburb. Gilyard's serpentine journey came to a head. The charismatic sermonizer, after being charged with sexual misdeeds including rape, reportedly confessed to several adulterous relationships and was squeezed out of Victory's system.

Flushed by Victory, virile Gilyard refuses to sink.

"It's like you're riveted to the seat when he preaches," gushes a female admirer of Gilyard's powerful delivery. Perhaps perceiving several seats in the area desiring to get riveted, Gilyard has formed the Grace Community Church, meeting in Richardson's Hilton Hotel. "There are several steps to make sure that I never again fall into the same satanic snare," Mr. Gilyard told his new congregation. One step might be for the pastor to avoid preaching in a building full of bedrooms.

"This is far more than a moment of tragedy and failure," bleated the discharged pastor in his goodbye pitch. "It is a moment of triumph."

Give the man an Asshole; he'll call it a halo.

FARTS IN THE WIND

Dr. Joyce Brothers: Pop psychologist Brothers devoted a recent syndicated newspaper column to the evils of pornography, linking child abuse, battered women, low self-esteem among females at large and increasing violence in sex crimes to smut. Brothers, naturally, neglected to mention the harm done by pop psychology, such as what comes out of her uptight Asshole.

Ronald Minkin: An L.A. dope lawyer, Minkin set up his clients like dominoes. Working with the FBI, Minkin arranged to incriminate and turn in the very people who were paying him for protection. Minkin claims his duplicity was the result of a change of conscience, but he also stood to make several hundred thousands of dollars off the deals. He's a rat's Asshole.

Sean Young: A Hollywood actress with a history of colonic histrionics, Sean was forcibly removed from the Warner Bros. lot after dressing up in feline garb and demanding to be cast as Catwoman. Undaunted by rejection, she appeared on a daytime talk show in a pussy suit and joked about mailing a bomb to the director who had snubbed her. Young deserves a part in a frosted flakes commercial, frosted Asshole flakes.

I'm very grateful to write a letter to you, but it is just my hope, and I hope I will not be accepted. *Feedback* Magazine, for me, is a very excitement reading. I was reading from my friend, and when I read, I was getting excitement and cheerfulness! I will not be getting ponder or boring, though I have already read a lot of times. Sometime I hope I'm the role of the *Feedback* Magazine. I am being attracted by it. That's difficult to describe the feeling after read the *Feedback* Magazine. LOW BLOW

Folsom Prison canceled my HUSTLER Magazine for September 1991. The reason was that it "contains material which is disrespectful to law-enforcement personnel (*Bad Cops: The Poison Blue Flu*)." I fucking love it, brother! If the public knew how overstaffed, overpaid and undereducated America's law-enforcement personnel are, they'd puke! It's honest, brave people like HUSTLER that America needs. Printing the truth opens eyes and ears! Is it any wonder corrupt, asshole politicians hide behind censorship? I've had my monthly HUSTLER since it hit the stands. I guess you could say I'm in the pink! Keep up the good work for America. —T. R.

BABE REPORT

The article on how a man can cheat on his wife was plain disgusting (*Your Cheatin' Heart: A Handy Guide to Fucking Around Without Getting Caught,* September '91). Telling someone of the male species how to cheat on his spouse is practically promoting the spread of AIDS. Instead of teaching men how to screw around and not get caught, why not encourage them to jack off more often? At least that way a guy won't stick his dick in something explosive! Jacking off is safe, fun and healthy. True, the article did promote the use of condoms, but these days you need a body condom to prevent contracting the disease.

By the way, we didn't appreciate the usage of the words *bimbo, bothersome tramp* or *bitch* to describe the female gender. We are females and are *not* gay. We enjoy HUSTLER for the humor. Too bad *Cheatin' Heart* wasn't something we found humorous! —C. and S.

Atlanta, Georgia

What man has ever needed encouragement to jack off?

Okay, porn producers—listen up. Fuck the storyline. Do you honestly think porn watchers give two shits about the plot? Ninety percent of us fast-forward to the fucking. Whoever is giving Paul Thomas money to produce a "thinking man's" feature is not only fucked-up, but goddamn stupid. Christian Shapiro hits it right on the head when he blasts that "dramatic" shit-drool Thomas tries to pass off as "erotic." Listen loud and fucking clear. We don't want erotic. We want nasty shit. Thomas's time will come when real porn watchers run his pretentious, dick-wilting ass out of the surrealistic world he's created for his prudish, ripoff productions. Shapiro, keep on his ass! —J. M.

NUDES ON THE MARCH

I was sorry to see Jerry Holden's article in the August 1991 HUSTLER (*Bare-Assed America: A Guide to the Best Outdoor Nudity in the USA*). The clear implication that men would use his suggestions to infiltrate unsuspecting nudist communities for selfish, sexual purposes was disgusting. Most despicable was the suggestion that a man use a woman as a tool to gain access to other women on a nude beach.

As for the "sexually open chicks," maybe there are some, somewhere, but during ten years on clothes-optional beaches, at naturist conventions and as a visitor to nudist parks, I haven't met one yet.

Here's a suggestion your author forgot to mention: Don't bring a camera. Photography is not prohibited on public land, but nudists get very angry when people come around poking cameras. —H. K.

Hoboken, New Jersey

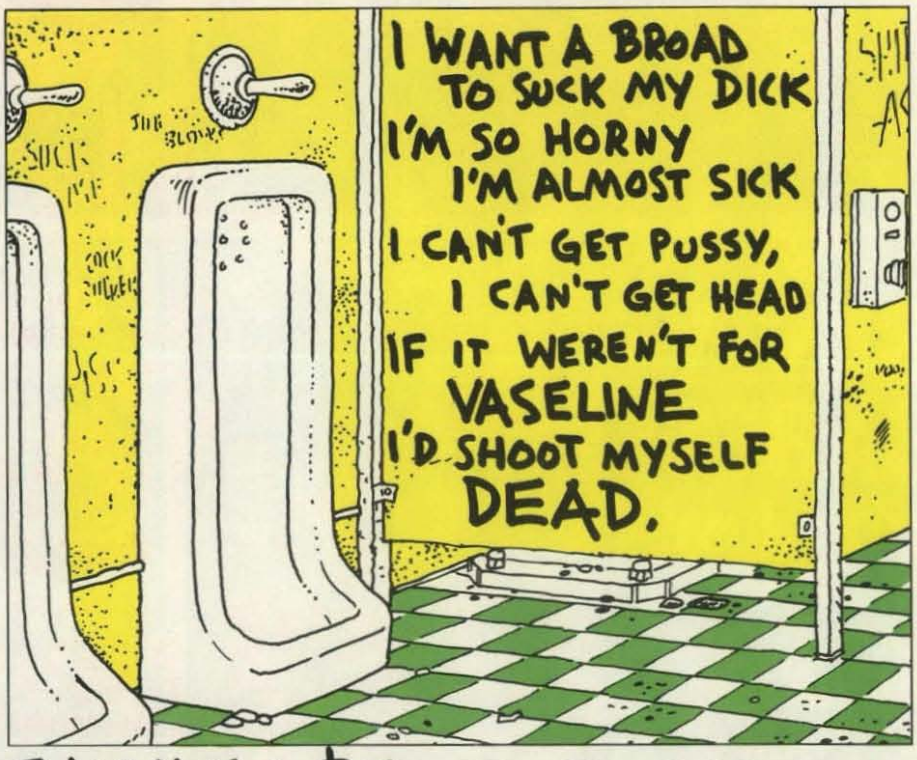

TOWEL TRICK

I was into nude sunbathing while I lived in Santa Cruz. I thought I'd share a little trick I learned for scoping out the babes. Binoculars are uncool, as are spotter scopes, cameras, etc. I'd put a rifle scope inside a paper-towel roll. When I put down my gear, I just positioned the roll facing my desired target. *Voilà!* Worked great. —S. S.

PLUG INTO THE NETWORK:
INSIDE THE SWING SET

BY PAUL DESMOND

David is a white-collar worker in a small town in Wisconsin. Cressie's a dental technician. They were married back in '79. Both are considered quiet, upstanding people in their close-knit community. The secret of their rock-steady, ten-year marriage? Cressie craves a stiff, dark pole up her cunt, one to scratch an itch inside her butt, one to suck and two to yank. Twice a month, she makes a date to get gang-banged by a bunch of horse-hung, black men—and hubby David likes to watch.

Sick? Degraded? Hell, no. Cressie and David are the typical American couple. They don't pick up hustlers off the street. They shop for sex through the *mail*.

People used to think that marriage meant the end of hot 'n' heavy fucks. No more. The wife getting bored? The husband losing interest? No *problemo*. The couple in need of a sex change can advertise for whatever thrills 'em through the rising network of sex-exchange catalogs. More than half a dozen mags currently cover the sex-shop scene. Every one is crammed with photo-ads from all kinds of folks with one overriding concern in common: to quench their prodigious appetites for sex by appealing to the complementary hungers of perfect strangers. *Swinging* is the word for it. Today's American couples are swinging so hard, the entire continent might just take off in space.

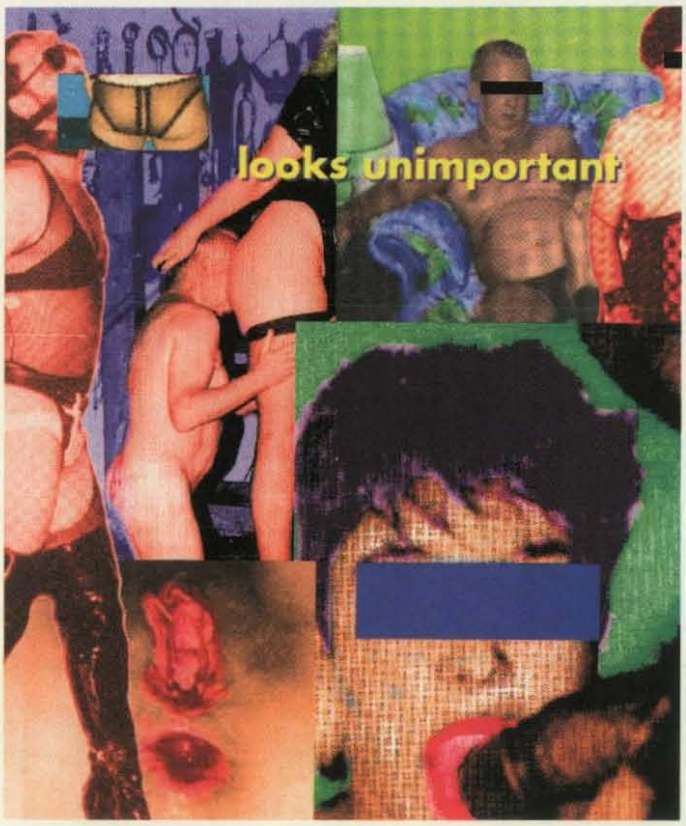

ILLUSTRATION BY RONA DRAMA

UnReal People, Express Contact, Odyssey, Local Swingers and *The Continental Spectator* are just a few of the carnal catalogs providing undeniable, photographic evidence that a broad cross section of white-bread Americana is fucking like crazed rabbits. Judging by the *faces* in the photos, no one could guess that the sex lives of these people could be anything but Boresville—which is why these mags score a titillating, voyeuristic punch, as much for the casual masturbator as for the people seeking service. Because the only difference between the housewives in Norman Rockwell paintings and the housewives in, say, *Unreal People*, is that the ladies in *Unreal People* are shoving yard-long dildos up their cunts and wrapping their tits and lips around throbbing-bone cocks.

Pretty, blond housewife with naughty, perverted, kinky, erotic imagination desires to correspond with other housewives and couples, single gals and guys, all races. Husband out of town. Have lots of time for long, luscious, torrid, cunt- and cock-tingling fantasies and real-life experiences. Bi is fantastic. Black and white, gang-bang, games, toys, exhibitionism, voyeurism, submissive, obedience, everything but violence. Lovely, pink pussy needs plumbing daily with all kinds of pleasure. Honest, squeaky-clean, educated. Please help me to come and come. I am for real. Hurry (*Unreal People*, Issue #55).

Unreal People advertises itself as America's raunchiest swingers magazine. Page after page of honest-to-God regular folks pointing hard-ons and shaved cunts at their cameras makes for reading stiff enough to rival the best newsstand porn. Check out the 12-photo spread for the ad from the deep-throated housewife from New Jersey! *This cocksucking, cum-drinking cunt is available to all good-looking, well-built studs. She also desires couples and bi females. She wants all of her holes filled, with others waiting their turn. Let's gang-bang her! Nothing is too kinky if you are good-looking. Will fuck and suck all. This slut swings alone or with hubby. She loves to party and dress the part; so don't be shy. This ad is for real. Only the serious need write.* Here she is in action, getting reamed up the crapper by one ecstatic pen pal, her mouth stuffed with another man's dick. There she is licking the labes of an obliging femme-pal. She's on her knees, she's on her back, and she's pretty!

Unreal People doesn't skimp on kink. Refer to the shot of a Pennsylvania housewife choking on a load of black choad: *Beautiful, submissive, white-slut housewife wants, needs and worships*

BEND OVER BABES 2: BUTTMAN ON THE PROWL... AGAIN

Three-Quarters Erect. *Directed by John Stagliano; starring Candace Heart, Porsche Lynn, Tashawna, Alexandria Quinn, Angela Summers, Brandy Alexandre, Alicyn Sterling, Kym Wilde, Tom Byron, T. T. Boy, Rocco Siffredi, Felipe and John Stagliano. Videocassette: Evil Angel Video.*

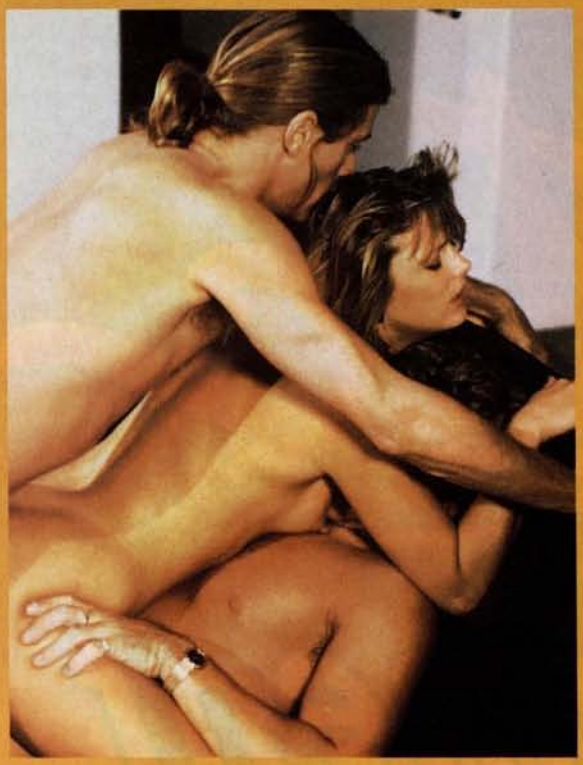

Just imagine the toilet-training atrocities anal gadfly John Stagliano must have endured at the hands of his sphincterally fixated parents, and bless them for it. Stagliano's butt compulsion is no superficial affectation—it's a deep, dank, consuming obsession, every bit as rich and mysterious as the pheromone-swirling, fine-haired, darkest depths of its pink and brown object. No one's complaining, except maybe the gaping asshole of skinny, white chippy Tashawna, a yawning orifice that stays wide open long after Tom Byron has pulled out his plug and pelted hot wads into her dilated shitter rings. *Bendover 2* also has its romantic moments of butt-licking, prick-sticking and dildo-cramming, all of it powered by a genuine yearning. *—Christian Shapiro*

Alexandre bends over...again.

Stagliano must have had sphincterally fixated parents.

*Cameo's **Encounter** is in her pussy.*

***Journey:** Nonstop suckathon.*

*Scream is the featured piece, but she's a **Bomb.***

ANAL ENCOUNTERS 2

***Half Erect.** Directed by William Black; starring Cameo, Marc Wallice, Cal Jammer, Bionca, Wayne Summers, Stacey Nichols, Brigitte Aime, Peter North, Melissa Melendez and James Lewis. Videocassette: VCA.*

Promises of a Cameo DP linger like a prick-pleasing rhapsody, but her ripe rosebud is reamed only fleetingly. Marc Wallice's wand is barely warm before it's withdrawn, leaving her butthole open and empty. Bionca, looking better than usual with her hair slicked back, invites James Lewis into the cozy confines of her chocolate fuckhole, but his schlong never gets hard enough to do any serious damage. Melissa Melendez, back in front of the lewd lens after a nearly four-year hiatus, takes Peter North's big dick up her ass, bounces like a jumping bean on Benzedrine and steals the show when North gives her Ray-Bans a sticky shower. Had the director coaxed Melendez-like performances from his other slits, *Encounter* would have been more than halfway memorable.

—Woody Hood

THE SEARCH FOR PINK OCTOBER

***Half Erect.** Directed by Scotty Fox; starring Kelly Royce, Paula Price, Sabrina Dawn, Eric Price, Tom Byron and Randy West. Videocassette: Executive Video.*

Scotty Fox is always able to come up with the unexpected. Take, for instance, *The Search for Pink October.* Such a title would lead mundane minds to anticipate a no-budget smut ripoff of a big-money legit pic, wherein a gaggle of studs and sluts get into a submarine and go down on one another. But such pedestrian prognostication fails to take into account Fox's mastery of surprise and novelty. *Search for Pink* is, astonishingly enough, actually a purloined trash-gash version of *The Last Detail.* Talk about staggering innovation! Inspiration or marketing scam? Fox shoots his wad with the title, and *Search* fails to find anything beyond ordinary bonings of ordinary X-meat.

—C. S.

ORAL MAJORITY: THE JOURNEY

***Three-Quarters Erect.** Directed by Robert McCallum; starring Madison, Lois Ayres, Ashley Nicole, Sandra Scream, Marilyn Rose, Mercedez, Brigitte Aime, Jamie Leigh, Leanna Foxxx, Domonique, T. T. Boy, Wolf Savage, Woody Long, Wayne Summers, James Lewis, Jake Steed, Cal Jammer and Joey Murphy. Videocassette: Western Visuals.*

The plot of this nonstop suckathon—22 cocks Hooverized in ten bone-bulging scenes—has Madison as an orally obsessed nymph who seeks help from therapist Lois Ayres. Madison's infatuation manifests into different dreams; the most potent are a surreal sequence with Madison wolfing eight wangs sticking out from two brick walls, Mercedez inhaling a quartet of cocks while sitting on a swing, and Sandra Scream greasing her cleavage with Woody Long's chocolate-covered schlong. Of the surprisingly few facials, the best is Leanna Foxxx's gooey grin after she drains two prison guards. While the vocal looping could've been more original ("Suck it, bitch" seems to be the key phrase), *Oral* is one *Journey* worth taking.

—Sam Lowry

BLONDE BOMBSHELL

***Half Erect.** Directed by Michael Carpenter; starring Sandra Scream, Heather Hard, Mercedez Lynn, Nikki Wilde, T. T. Boy, Cal Jammer, Woody Long and Tom Chapman. Videocassette: Coast to Coast.*

The title takes advantage of Sandra Scream's bodacious body, but none of the studs in the tape do. While Scream sleeps through her two so-called sex scenes, brunet boff-bunny Mercedez Lynn explodes her twat all over Tom Chapman, T. T. Boy and Cal Jammer—the latter two cocks throat-pumping her during a torrid threeway. When this babe begs for cum, she's not acting. Heather Hard, another nonblonde (what's that title again?), isn't much in the looks department, but her so-so slit-stuffing is better than box-cover Scream's slumbering sleaze. Lynn's lusting is the only thing that keeps *Bombshell* on target.

—S. L.

TOP IT OFF

Half Erect. *Directed by John Leslie; starring Patricia Kennedy, Madison, Ashley Nicole, Ashley, Racquel Darrian, Joey Silvera, Tom Byron, Marc Wallice, Randy Spears, Peter North, T. T. Boy and Derrick Lane. Videocassette: VCA.*

Does a porn producer with a lousy movie on his hands go back to the set and start again? Hell, no, he gets an art department to put together a high-gloss photo, an ad writer to come up with a title to go with the photo—and, *voila!* a pretty box that will sell. Never mind that the box cover has nothing to do with the movie. It's a lot easier to put Racquel Darrian in a short skirt next to a gas pump and call it *Top It Off* than to picture a plodding, ponderous and preposterous plot strung together with mostly average sex between mostly average people. —*W. H.*

***Top** only makes it halfway.*

EARTH GIRLS ARE SLEAZY

Half Erect. *Directed by Henri Pachard; starring Kelly Royce, Jerry Butler, Sharon Kane, Tom Byron, Debi Diamond, Rene Foxx and Eric Price. Videocassette: Soho Video.*

Kelly Royce is a sandy blonde with a healthy face and a comely, cushioned fanny that begs to be paddled, licked and gripped. If she were a car, she would be described as clean, almost cherry. Royce's wholesome hole wraps around the demented dongs of Eric Price (who twists his tongue deep within her squeaky-tight squack), Tom Byron (whose turgid rod reams in beneath her squinty, clenched butthole) and Jerry Butler (face-forced to feed on a shoving snatch sandwich). *Sleazy*'s closing orgy is its high point, a climax of gleaming, saliva-slick pricks and straining chins beneath bouncing buns. *Earth Girls* has a few whirls. —*C. S.*

VISIONS OF HEATHER

Half Erect. *Directed by Nancy Pierre; starring Heather Hunter, Marc Wallice, John Hammer, Missy Warner, Alicyn Sterling, Leanna, Trixy Tyler, Cameo, Patricia Kennedy and Cal Jammer. Videocassette: Vivid Video.*

Fans of Heather Hunter will be in for a letdown—she has only two sex scenes, both sans real schlongs, in this collection of schtups strung together by Hunter's narration while she plays with herself. Skip the first scene, then enjoy Patricia Kennedy deep-throating Marc Wallice and lapping up his wad. Fast-forward past the dreary lesbo-lick between Missy Warner and Leanna, then hold on as Cameo takes Wallice and Cal Jammer into her sweet, snug snatch simultaneously. Cameo's accommodating cunt makes *Visions* a sight to stroke to. —*W. H.*

*Mocha-muff Hunter isn't much of a **Vision.***

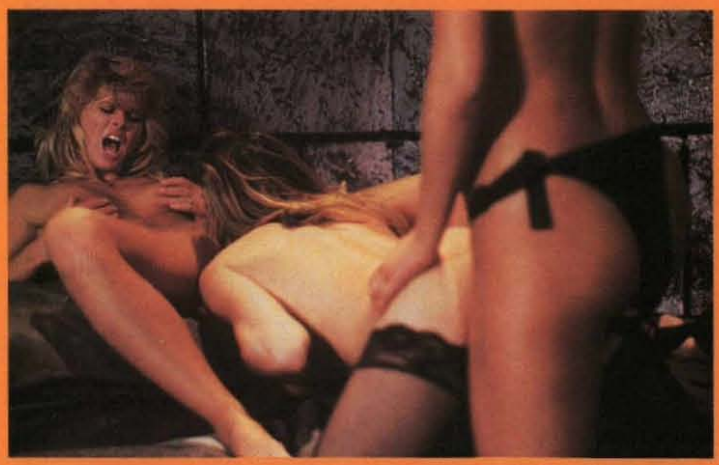

THE ROOKIES

One-Quarter Erect. *Directed by Jake Craig; starring Raven Richards, Raven, Alexandria Quinn, Marc Wallice, Wayne Summers, Kandi, Judy Zee and Max Reynolds. Videocassette: VCA.*

The rookies are a group of seasoned smut veterans pretending to be video virgins in an amateur home-video contest. The grand prize is $10,000, but there's no payoff (on tape or at home), because it turns out to be a scam run by Marc Wallice and Alexandria Quinn. The way most of these women fuck, it's the home hoser who winds up being burned. Even a double dose of Ravens don't churn ball batter, sleeping through two stuffings. A foxy blonde is nice to look at, but a bore to watch. Quinn, the only quim aching for a shaking, burns a mattress with Wallice, but the rest of these *Rookies* should be drummed out of camp. —*S. L.*

*Drum these **Rookies** out of camp.*

*The **Dr.** should have let Seven operate.*

Cleopatra didn't feel guilty about sex.

HUSTLER VIDEO GOES TO HELL

Alicyn Sterling plays a cock-gobbling Cleopatra in director Gerard Damiano's *Just for the Hell of It*, a 35-mm production about what the world would be like if people didn't feel guilty about sex. "The topic is a bit heavy," Damiano says, "but we treat it with some laughs, and the sex is hot. Flame and Cal Jammer give me the best anal scene I've ever shot. And Melanie Moore does a double insertion that brought tears to my eyes." The newest HUSTLER video should be available at the end of the year. Slip it into your VCR—and don't feel guilty.

DR. BUTTS

Half Erect. *Directed by Mark Arnold; starring Ed Powers, Jamie Gillis, Randy West, K. C. Williams, Candace Heart, April Rayne, Ashley Nicole, Teighlor, Jordon Smith and Chance Wilder. Videocassette: 4 Play Video.*

The Nasty Brothers (Ed Powers, Jamie Gillis and Randy West) mimic Buttman in this silly, unfunny and mostly unsexy anal-sex saga. The best, and strangest, sex scene is a special sequence directed by Bruce Seven, featuring his trademark lesbos, glistening rosebuds and slippery anal beads. April Rayne seems to enjoy a good ass-reaming, but Gillis struggles to stay hard enough to give it to her. Ashley Nicole doesn't have an erection problem as she drives a dildo into Powers's skinny, funky butt—not a pretty sight. Can the Brothers, and let Seven strut his stuff—no ifs, ands or *Butts* about it. —*W. H.*

PERSONALITIES

Half Erect. *Directed by Tori Welles; starring April Rayne, Devon Shire, Angela Summers, Tom Byron, Chris Stock and Buck Adams. Videocassette: Paladin Video.*

A strange story. April Rayne suffers from multiple personalities, including a male identity that pops up suddenly during sex scenes; so Rayne, getting her mouth and pussy stuffed with dick, becomes "John" and freaks out. Then just as quickly she's back to Trixy, her slut personality, begging to get fucked. When she's John, Rayne takes on the mannerisms of a man and talks in a strained, deep voice that's silly at first but becomes eerie. Is fucking a crazy person a turn-on? Is it rape if one personality says no and another says yes? Moral ambiguity twists the sex and creates an atmosphere of power and exploitation that messes up your mind; your dick will get hard, but you won't want it to. —*Mal O'Ree*

*Get to know some strange **Personalities.***

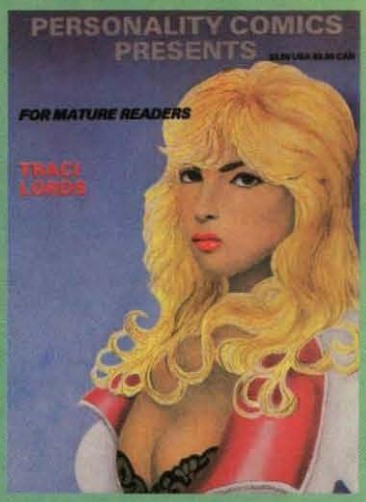

*For sick, perverted **Freaks** only.*

FREAK SHOW

Half Erect. *Directed by Loretta Sterling; starring Teighlor, Viper, Lotta Love, Misty Dawn, Billy Best, Hans Mueller, Eric Von Buelow, Lucky Stryker, Billy Frank, Greg Rome and Jake Steed. Videocassette: Filmco.*

Hurry, hurry! Step right up! See Teighlor, the amazing fat lady, have her massive rolls of flab jiggled by the sturdy sepia stick of a daring, young stud! See the bearded lady get a dildo shoved up her gigantic, gaping gash! Watch as Hans Mueller and Eric Von Buelow take turns butt-poking Misty Dawn—and each other! Marvel at the twisted sight of Viper caressing her cooze with a slithering serpent. Gasp as Greg Rome and Jake Steed sate the bestial babe with a shower of creamy cum. Jerk off to all this, if you're a sick motherfucker who needs his strokes on the strange side. —*S. L.*

TRACI LORDS:
THE UNAUTHORIZED BIOGRAPHY

Totally Limp. Former cooze-queen Traci Lords was the biggest star in porn until FBI agents discovered she was underage, and confiscated everything she was in. The girl whose name was synonomous with *screaming orgasm* soon became identified with child pornography, confusing the issue of underage exploitation. By most accounts, the full-bodied sex star was a cunt-smart hustler who knew exactly the value of what she had to offer. Soon after she hit 18, Traci was in a studio cranking out her only legal porn tape, a production she had financial interest in. Judging by recent talk-show appearances, Lords now presents herself as a helpless juvenile used and abused by evil porn mongers. *Traci Lords—The Unauthorized Biography* (Personality Comics) follows the company line of Lords as victim. Artist Hector Diaz makes sure that Lords rarely smiles and that tears flow as readily as cum once did from her fortunate co-stars. Hack author Stephen Spire piles on antiporn schmaltz, while relying upon erotic titillation for his sales. Though the book is prominently marked "For Mature Readers" and is illustrated in a pouting, concupiscent manner, the only thing the self-appointed "best cocksucker in the business" puts her lips around is a can of beer. Lords, who went to great lengths obtaining false IDs to fool porn producers, is presented as the primary victim. The book is every bit as hypocritical and exploitative as its subject, but nowhere near as erotic. —*Sadie Marks*

Jeanna Fine is all smiles (and tits) after walking away with an NXRCO award.

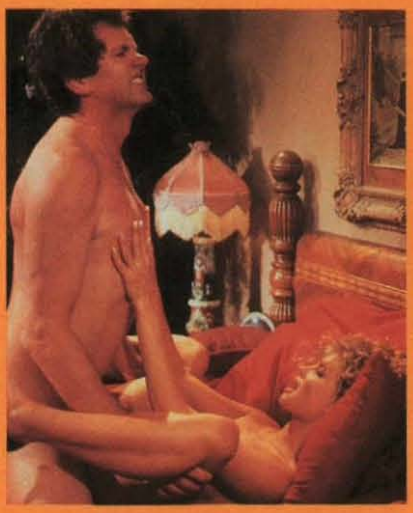

NIGHT OF THE STARS

The Adult Video Association's Fourth Annual Dinner Dance—Night of the Stars—turned out to be a night of awards as well. Not only did the AVA's board of directors give out their customary Lifetime Achievement Awards, the National X-rated Critics Organization (a new and allegedly improved version of the defunct X-rated Critics Organization) handed out its own kudos for achievement in 1990.

Honored by the AVA in the acting category were Paul Thomas and the legendary Georgina Spelvin. The director's citation went to Ron Sullivan (a/k/a Henri Pachard). The Joel S. Warner "Good Guy" award went to two people: distribution executive Mel Kamens of General Video of America, and Northern California activist Bobby Lilly, creator of CAL-ACT (Californians Against Censorship Together). The newly named Hal Freeman Freedom Isn't Free Award, for meritorious action on the free-speech front, was bestowed on Florida video dealer Barry Freilich, who organized Friends of the First Amendment, a highly effective grass-roots anticensorship campaign in central Florida. Their distinctive Stop Censorship bumper stickers were handed out to each of the 450-plus dinner guests.

The critics gave their feature prizes to Alex deRenzy's *Pretty Peaches 3* (best film) and John Stagliano's *Buttman's Ultimate Workout* (best video). Stagliano was also named best director and the Sunny McKay-Alexandria Quinn-Rocco Siffredi threeway from *Workout* best sex scene. Christy Canyon and Randy Spears were named performers of the year (based on body of work). Spears also won best single performance by an actor for *All That Sex* (Legend). Jeanna Fine got the single-performance-actress prize for her work as the cat burglar in *Steal Breeze* (Soho). Ashlyn Gere was named starlet of the year. The award for technical achievement (photography, editing, production values) went to Andrew Blake's *House of Dreams* (Caballero).

Jim Holliday inducted four people and four films into the NXRCO's Adult Movie Hall of Fame: actresses Veronica Hart and Erica Boyer, actor Ron Jeremy, director Chuck Vincent, and the movies *Baby Face* (1976), *Jack 'n' Jill* (1979), *Insatiable* and *Talk Dirty to Me* (1980).

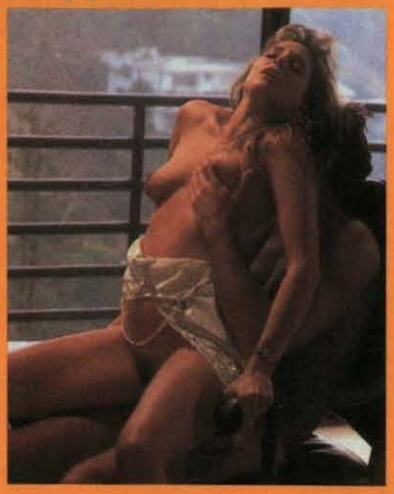

*The moment of **Heat** comes slowly and passes quickly.*

HEAT OF THE MOMENT

One-Quarter Erect. *Directed by Jim Travis; starring Sunny McKay, Arcie Simpson, China, Stephanie Page, Jon Dough, Randy Spears and Eric Edwards. Videocassette: Intropics Video.*

The only thing worse than a spritz flick that takes too long to get going is one that doesn't come enough when it starts. *Heat of the Moment* extends the allure of Aussie floss Sunny McKay and her golden-browned cupcakes. The moment of heat is slow coming and passes quickly. Randy Spears dumps a load in the middle of tall, chesty Stephanie Page, but the fuck is sliced in a distracting and hurried way. Ditto to McKay's godly ass crawling upon Eric Edwards's torso and face as her impish mug engulfs his prick—she's hot enough to melt, but the cooking lasts hardly long enough to achieve thaw. If a guy is truly determined to jack off, he will reach emission with *Heat of the Moment.* However, be prepared to come quick. *—Kurt Blume*

*Stewart turns **No** into yes.*

NO TIME FOR LOVE

Three-Quarters Erect. *Directed by Paul Thomas; starring Jennifer Stewart, Randy West, Porsche Lynn, Casey, Ashley Nicole, Wayne Summers, Ernst Hemmingway and Lynette Sterling. Videocassette: Vivid Video.*

Like cocks and cunts coming hard and fast? Time may drag. Appreciate a well-told tale with prime production values to complement the ins and outs? Clock in to *No Time for Love.* Comely, loose lasses eventually liven up the action, especially deep-throat artist Jennifer Stewart and nasty-talking Porsche Lynn. The nookie is ardent and voracious, though hampered by cornball cum-shots. A dash of raunch would have spiced these classy couplings, and the camera should have caught the all-important penetration, but by porn's rapidly deteriorating standards, *No* gets a big yes. *—W. H.*

SEX LETTERS EXPOSÉ!

HUSTLER'S GUIDE TO Erotic DOUBLE-TALK

Anybody who has a brain and reads men's magazines doubts those letters in *Penthouse*. Are the stories real, or just the treacle from a frustrated hack's meager libidinal imagination? And when they say, "Her heavenly face knew no match but for the paradise floating upon her otherworldly chest orbs," what exactly do the writers really mean?

Phrase used: "I blasted her with loads of jism."

Translation: "A few drops of sperm mixed with piss dribbled on me."

Phrase used: "Her pouty lips."

Translation: "She was mad as hell because I would not pay full price."

Phrase used: "Her cunt was dripping wet."

Translation: "She doesn't dry herself after going to the bathroom."

Phrase used: "Pre-cum dripped out of my cock."

Translation: "My penicillin shot is due."

Phrase used: "Her panties were wet with anticipation."

Translation: "Seventy-two-year-old nurse."

Phrase used: "My cock enlarged."
Translation: "My cock looks really big when I view it through a magnifier."

Phrase used: "She was built like a Greek goddess."

Translation: "She was slightly younger than the Parthenon and just as eroded."

Phrase used: "Waves of orgasm coursed through her body."
Translation: "I faked an orgasm and fooled the schmuck once again."

Phrase used	Translation
"My 12-inch cock"	5 inches
"My 11-inch cock"	5 ⅛ inches
"My 10-inch cock"	5 ¼ inches

"My 7-inch cock"	5 ¾ inches
"My 6-inch cock"	6 inches

(Six-inch size used in letters only once in 20 years.)

Phrase used: "She likes sex with women also."
Translation: "And horses, dogs and donkeys."

Phrase used: "I yelled, 'Oh, baby!' as I thrust deeply into her."

Translation: "He yelled, 'Oh, shit!' as he lost his load before he entered me."

Phrase used: "Her cunt was aching for me."

Translation: "She was still sore from the basketball team she fucked last night."

Phrase used: "My rock-hard cock shoved against her throat."

Translation: "His wienie reached only my front teeth."

superior, black men. I love the feel, taste and smell of black cocks and cum. Bi husband jerks off and will join in if asked. He loves to suck my well-fucked, cum-filled cunt and asshole clean after black cock or cocks have filled it with several loads of cum. Have my husband place me in bondage, whip my well-fucked white ass, then fuck my asshole with your black pole. I submit to intense, prolonged gang-bangs, circle-sucks and cum-baths. This from a lady who looks to all the world like an ordinary checker at the nearest Safeway. Get the picture?

Express Contact breaks down the American sex scene state by state. Less hard-core than *Unreal People,* there's still a healthy dose of raunch. Consider the shot of an ordinary-looking Wyoming housewife on her knees, with a butt plug stuck up her ass, an elephant-size dildo up her cunt and a clothespin pinching her pussy lips. *Get your buddies, and let's party. You won't be sorry if you love being drained* (*Express Contact,* Vol. 2, No. 9). There's a gorgeous, Racquel Welch lookalike from Colorado, buck naked and spread-eagle beside her hard-wanged husband: *We seek pregnant and nursing females for TLC. Age is not important. Knowing how to be sexy and have an erotic time is.* Close by, a close-up, wet-lipped, open Delaware pussy invites a rubber-nippled joystick in to play: *Panty freaks! Catch my awesome, ripe, black aroma. There's no smell like it! Express Contact* makes a point of showing how considerate a swingers mag can be. *Please answer all mail, even if just to say no thanks,* it urges on every other page. Who notices? Who isn't riveted by the whopping boner in the cunt of a wife who wishes to have her jeans pulled down by a horny lady, while her hubby loves golden showers from a glass or *straight out?*

Odyssey, the magazine "where America's swingers congregate," includes in a recent issue a mind-blowing, first-person account of an unsuspecting swinger's first she-male encounter, as well as a comprehensive guide to making better amateur home X-vids by authors Ann and Jack, whose debut video was titled *Pork My Wife, Please.* The mag is stuffed with hard-core photos. There's a thumb-nippled woman wearing a diaper: *Enjoy soiling my partner.* There are split beavers and bobbing boners in bed, in the backyard, in the shower, in the kitchen, on the toilet—everywhere but on the roof. Here we see a sweet-looking, 70-year-old lady flashing the kinky, black-lace bra under her blouse: *Sexy 70s lady. Advertised for over 20 years. Classy and refined, but nevertheless has been a classic, garter-belted, secret cocksucking slut from April 1970 through 1990. Retired from heavy-duty, but will fill a few well-written requests from mature, appreciative gentlemen in 1991.* Old enough to be a granny; young enough to swallow? A complete set of buffster grannies and gramps a few pages later proves you're never too old to swing: *Remember when you used to enjoy fantasies about fucking your grandmother? This great-grandmother still loves sex even more than she did 50 years ago. We are a selective, mature couple who sees other golden oldies who haven't lost the desire for straight, oral, masturbation and clean, nonpushy people. No drugs or men with earrings and pigtails.* No men with pigtails? These aren't sick people at all!

All the swingers mags harbor such nasty, dick-shrinking surprises as naked oldsters and truly ugly men in drag. But outnumbering them by far are the incredibly intimate glimpses into the sex lives of attractive, married women. A sweet-looking blonde with a friendly smile uninhibitedly displays shapely breasts above an ad reading: *Beautiful, cock-loving wife seeks attractive, well-hung males and dominant females to ravage her sweet cunt and hot ass.* There's a thirtyish woman spreading her cunt lips. Her box is oozing spunk. *She loves sucking cum-filled pussy.*

Local Swingers magazine warns against the pitfalls of swinging monogamously. It reports that as much as 10% of swingers-convention patrons harbor the fantasy to meet one—only one—special couple to be their sole swinging partners. Such a fantasy only leads to heartbreak. Not only does the perfect couple seldom exist, but sticking together like that is *definitely* not swinging! Its collection of Mr. and Mrs. Americas ready to fuck is priceless—that is, if you get a kick out of seeing ordinary people naked.

The oldest swingers mag around is *The Continental Spectator,* edited by Linda Lee. While not hard-core, the *Spectator* has as many photos per page as the competition and, if you can get past the bisexual transvestite from Bethesda, enough bone-stiffening feminine flesh to make it worth reading again and again. *Big, white gal wants hot guys and couples to do it all with me.... Attractive, trim couple seeks other couples for fun-filled weekends.... Hot bi girl is looking to meet new friends.... Hot, sexy wife has husband's permission to host...honesty and discretion a must....*

Want to swing along? Get an eyeful of the secret sex lives of John and Jane Doe. *Unreal People* and *Odyssey* can be reached by writing Sundance Associates, P.O. Box 18709, Los Angeles, CA 90007. Write *Express Contact* and *Local Swingers* at North-East Sales, Inc., P.O. Box 1398, Providence, RI 02901. *The Continental Spectator*'s address is P.O. Box 278, Canal Street Station, New York, NY 10013. Plain, brown wrappers guaranteed.

HOT LETTERS

BAD IS BETTER

As a child, I would do anything to get people to look at me, especially if it meant being a naughty, little girl.

I gave in to the sexual urge to expose myself the summer I turned 19. I drove the boys on the beach wild with my skimpy bikinis and lewd antics—always dropping a strap when someone was sure to notice. By the time I was almost 21, I'd stopped wearing panties. Man or woman—it didn't matter to me. I couldn't control the desire to lift my skirt and expose my private parts to strangers.

I got addicted to shoe stores. Every time a shoe salesman sat on his low stool in front of me and saw that under my skirt there was nothing between him and my wet pussy, I'd get hot flashes and a quivering come.

One time, in an out-of-the-way boot shop in Greenwich Village, I met my match. Five steps down from street level, the shop was empty except for a woman named Alice. She was sitting on a stool behind the counter and didn't say a word. Her sultry, half-closed eyes said everything as they examined my body. Dykes didn't thrill me, but they didn't turn me off. Everyone was welcome to stare.

The pungent smell of rawhide and sandalwood incense had a dizzying, almost nauseating effect on me. I wandered to the rear of the shop, trying to look as innocent and demure as possible, to heighten the shock if ever Alice were to get a look under my skirt. A life-size portrait of a woman standing defiantly with hands on hips and a riding crop clenched between her teeth hung on the back wall. She was naked except for a pair of knee-high, spike-heeled boots.

I heard the stool squeak as Alice stood up. Something about the sound of a woman's heels on a hardwood floor makes my asshole clench up tightly. For some idiotic reason, the sound of her heels on the floor reminded me of guns going off. I panicked. I raised my skirt up high and spun around to face her. She was wearing a tight leather suit. Long, deep red—almost purple—hair fell down her shoulders. She paid no attention to my furry mound. A long while passed. I wanted to get the fuck out of there, but there was no room to get around her. Finally, she stepped close to me. Looked deep into my eyes.

"You can't help it, can you?" she questioned softly. "You need to show your sweet pussy to strangers."

For once in my life, the tables were turned. Our faces were almost touching. I felt her body heat. I could almost taste her spicy breath. I thought I was going to faint. "Yes—" I stuttered. "I need to show off—"

I couldn't help myself. The sexual tension was too great. I slipped two fingers inside my cunt and worked them in and out. Alice waited a minute, then grabbed my wrist and yanked my fingers out. She held the sticky, stinky digits up to her mouth and licked them.

She led me to an antique barber's chair and ordered me to take off my blouse and bra while she slipped my skirt down around my ankles. The door to the shop was still wide open. The sounds of the busy street a few feet away drifted inside the tiny, hot room. I felt like I'd fallen asleep and was dreaming the best dream of my life. It was such a relief to know someone else was in control. I was melting. Naked, except for a lace garter, sheer, smoky, black nylons and high heels, I obediently leaned back and let her drape my long legs over the chair's plushly cushioned arms.

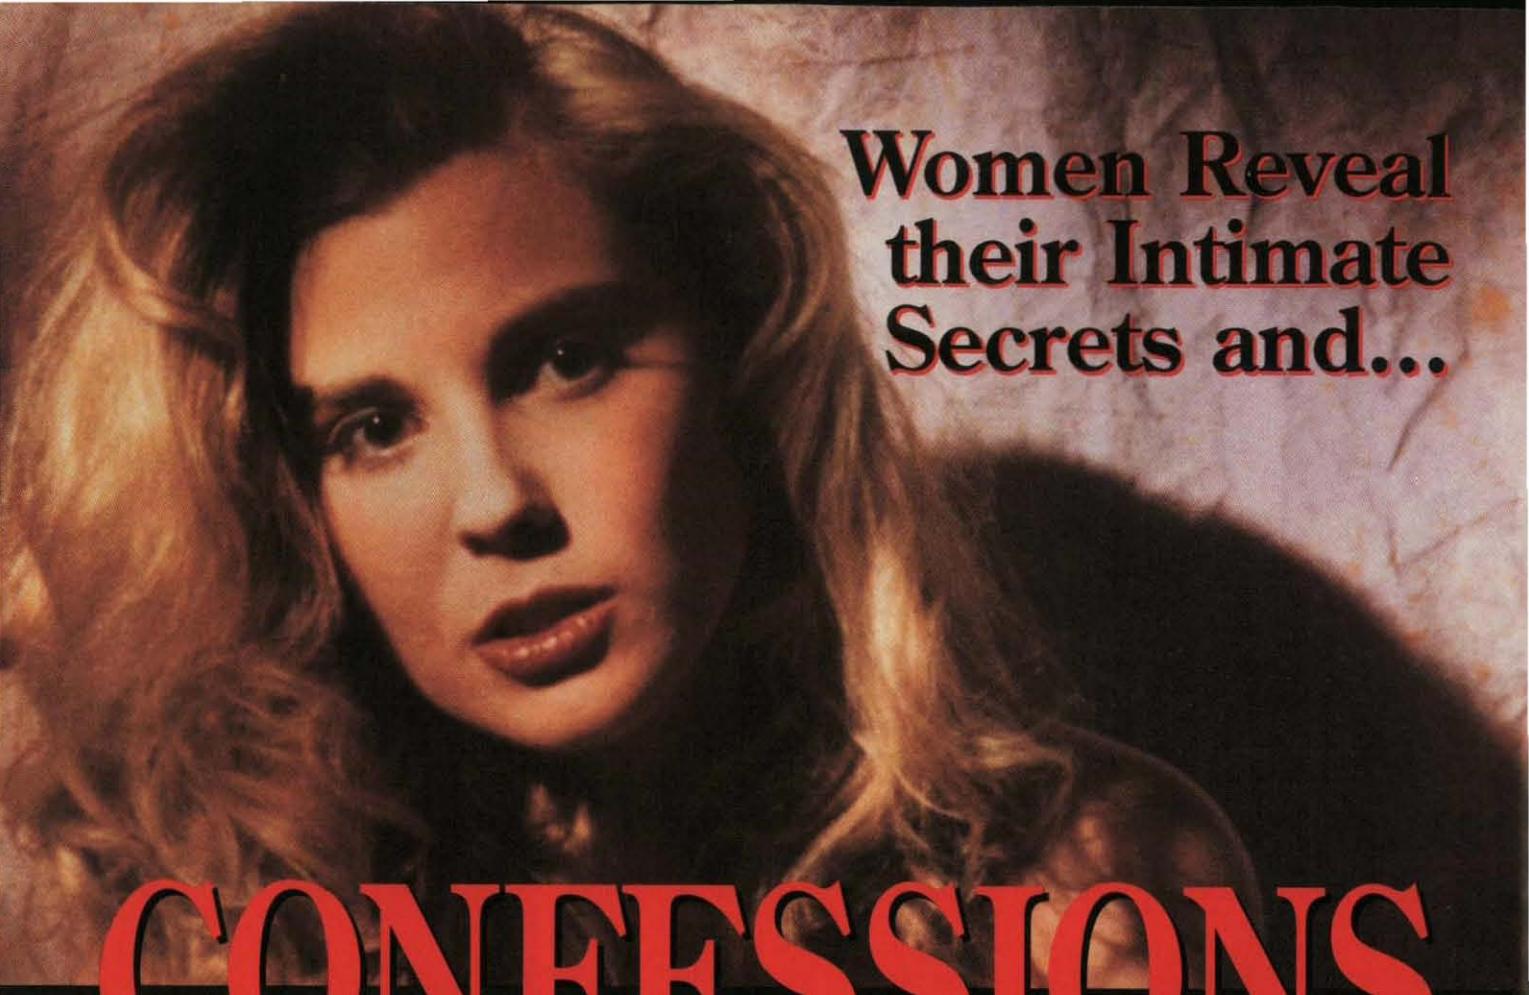

My nipples, along with my clit, grew rigid as Alice gently parted the dark, kinky hair covering my cunt. Just as I was about to coat her fingers with clear, aromatic cunt oil, the bell at the front door jingled. In walked two strangers. Alice's finger-fucking abruptly stopped.

"Don't stop!" I blurted out. "Tell them to come closer and watch what you're doing to my cunt!" To my disappointment, she backed off and disappeared behind the curtain leading to the back room. I began frigging myself. Being New Yorkers, the strangers nonchalantly browsed for boots, but I knew they couldn't tear themselves from the sight of me. I was determined to come in their faces.

Alice stepped back into the room. Bouncing obscenely from side to side as she walked toward me was a ten-inch, black-rubber cock strapped to her groin. She adjusted the height of the chair until the massive dildo was aligned with my dripping cunt. Using the dick like a crowbar to pry open my snatch, with a slight hump of her hips, the first few inches popped inside me.

"All of it!" I demanded and spread my legs wider. The browsers were bug-eyed. Alice's large tits rose and fell. She bounced on her toes as if preparing to dive into a swimming pool. Without warning, she lunged forward and buried all ten inches of pseudocock to the hilt. She drove my back against the chair with slow, punishing stabs. "This is what you get for showing off your pussy to strangers," she hissed, eyes wide and bright. "Harder!" I cried, tears streaming down my cheeks. Each brutal thrust brought a whimper to my lips. I could no longer tell where one orgasm stopped and another began. Never before had I been fucked into one continuous climax. When Alice finally yelled that she was coming too, I held her in my arms until both our bodies stopped trembling.

FRESH PIECE

I worked the summer at a pizza joint. I sure did hate it. I couldn't even think about pizzas without getting sick. I was miserable, until Wendy came along.

Wendy was pretty and sexy enough to give me a boner as I watched her cute, little ass work the register. I was stuck in the kitchen, but there was a window that looked out on the front counter of the dining area. Even when I was totally busy, I kept an eye on Wendy. She'd see me looking too. She didn't mind. She smiled. I was too shy to do anything about it. I wasn't too good with girls. I was a virgin.

One Thursday evening, the manager had to leave early. As soon as he left, I went to the front door, locked it and put up the CLOSED sign. Me and Wendy went to work cleaning up so we could get the hell out of there. I cleaned the ovens. Wendy wiped the tables. After a bit, I saw her heading for the restrooms.

"I'm hot," she said. "I'm gonna take off my bra. That all right with you?"

I couldn't answer yes or no. I'm sure she could tell by the silly grin on my face that I didn't mind in the least. She came out of the john a few minutes later, the uniform unbuttoned halfway down her chest, her fat, white tits clearly visible. She walked past me, smiled and went back to work. I tried to work too, but just couldn't. The image of her soft, white breasts wouldn't leave my mind.

The next thing I knew, I was in the dining area with her. I walked up behind her with a soft drink in my hand. "Thirsty?" I asked her and offered the drink. She took a long drink, her eyes locked to mine. She set it down and pressed my hands around her body, cupping a hand around each cupcake breast. "I was beginning to wonder if you were gonna come around or not," she said. "I thought you might not like me."

She pulled my sweaty, stinking T-shirt off over my head. Her hard, pointy nipples felt wonderful rubbing against my wet chest. My hard-on pressed against her belly. It felt damn fine. We kissed each other long and deep. "You kiss good," she said. "I knew you would." "I do?" I asked. I'd never really kissed a girl before. "Yeah, you turn me on, Mike," she whispered.

She did a little shimmy, and her breasts quaked. My eyeballs bobbed up and down as her nipples bounced. She stepped away, shaking her tits at me. "Come and get it," she whispered. She backed through the employee door, past the front counter and into the kitchen. I followed. The kitchen counter was white with flour, but she didn't care. She pulled off her skirt and wriggled out of her glistening, pink panties. When she was naked except for the stupid hat we had to wear, she spread her legs wide.

Her snatch was covered by a light thatch of brown hair. Her wet pussy winked at me. It was the first time I'd ever seen a real, live cunt. I thought it was beautiful. I told her so. "Thanks," she said. "Taste it, why don't you?"

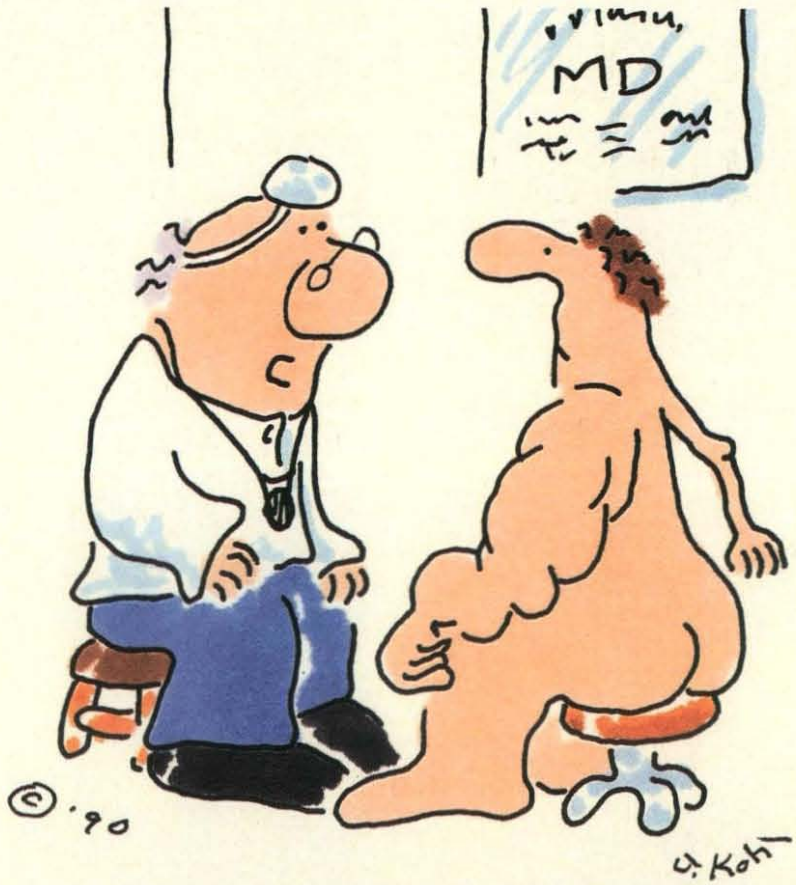

I leaned forward and placed my head between her thighs. She smelled of equal parts sweat, pussy and pizza, but as my nose got closer to the goodies, the sweet smell of her cunt filled my lungs. I stopped my face an inch away, studying the intricate folds of her pussy lips. She grabbed my head and pushed my face into her hole. I got my first taste of pussy and immediately loved it. I licked hungrily around her hot, gooey hole and slurped out a mouthful of sticky-wet juice.

Suddenly Wendy squealed and grabbed my head again, pushing me harder against her cunt. I felt her pussy spasm as she came. A fresh squirt of juice sloshed against my chin. I quickly unzipped my pants and pulled out my boner. Wendy raised her legs to greet it and moaned as my cock slid inside her slot in one smooth thrust. I mouthed one nipple and then the other. My lips lost their grip on her nipples. Watching her boobies shake and my cock slide effortlessly in and out of her tight hole was just too much for me. My cock exploded, shooting volley after volley of hot sperm deep inside her soupy slit. Wendy came too, when she felt me hosing off inside her. My cock popped out with a wet plop. She sat up with a dazed expression on her face.

We're still together. Even today, the smell of pizza brings it all back for us. Pizza and pussy make a great combination.

Drag queen trauma, maggot-head bums, busting wino faces: An LAPD jailer remembers a day just like any other day. Until Alvin Whitehead rolled up, arrested and dead.

The Day the Choke Hold Died

Memoir by Steven R. and Linda Leso

CHOKE HOLD

The doctor grins as he steps on the man's arm. Since he cries out in anguish, it is determined this alcoholic is alive. I haul him to Tank 101.

What actually happened to Alvin Whitehead? That is the question I keep asking as I, along with the rest of the world, watch in horror the brutality that the Los Angeles Police Department inflicted on their video victim, Rodney King.

Alvin Whitehead wasn't a famous doctor, lawyer or rock star. He was just another unfortunate citizen who was mistreated and abused by the police.

Let me go back to the day Alvin Whitehead unknowingly changed official policy regarding the controversial restraining technique known as the "choke hold."

The alarm rings. It's 6 a.m. Wednesday, February 1, 1978. I reach over to shut out the buzzing and shake the sleep from my head. I slowly make my way to the shower and let the stream of hot water hit my head and fall off my body. I find myself getting an erection. I keep picturing the exotic drag queen I had skin-searched the day before. "She" was approximately 5-6 and wore a tight-fitted, black-leather miniskirt, black-fishnet stockings and a low-cut, red sweater that hugged her breasts. Her straight, long, black hair, slanted eyes and high cheekbones indicated that somewhere in her background were ancestors of Oriental and Indian descent.

After my shower, I put on my khaki uniform and fasten my badge to the upper left-hand corner of my shirt. Once again, I feel that sense of power grow inside of me. With the time being 6:25 a.m., I'm out the door and into my car. I hold my breath as I turn the key in the ignition. *Please let this car start,* I pray. It's been a guessing game for about a month.

I stop for my usual three doughnuts and large cup of black coffee. After my breakfast, I continue to the Los Angeles City Jail, where I am employed as a jailer.

At 6:45 I once again walk up the concrete ramp to the back entrance of the City Jail. Reaching the back door, I'm distracted by the commotion between two police officers and a host of derelicts. They are all getting out of the B-Wagon, a kind of armored cattle-car that is used to gather up Skid Row inhabitants.

The B-Wagon has no windows and very poor ventilation. On a hot day, the temperature inside can rise to well over 110°. If the passengers survive the ride, they are escorted into a 10'x14' holding tank, where as many as 20 prisoners are trapped with no toilets, sinks or benches, and barely any air to breathe. They wait for several hours until the jailer gets ready to move them to more "comfortable" quarters. By the time the station officer arrives, vomit, urine and excrement surround the bodies. With many of the drunks infected with tuberculosis and diphtheria, Tank 103 is a perfect breeding ground for disease. Every now and then, all jail personnel are required to have immunization shots.

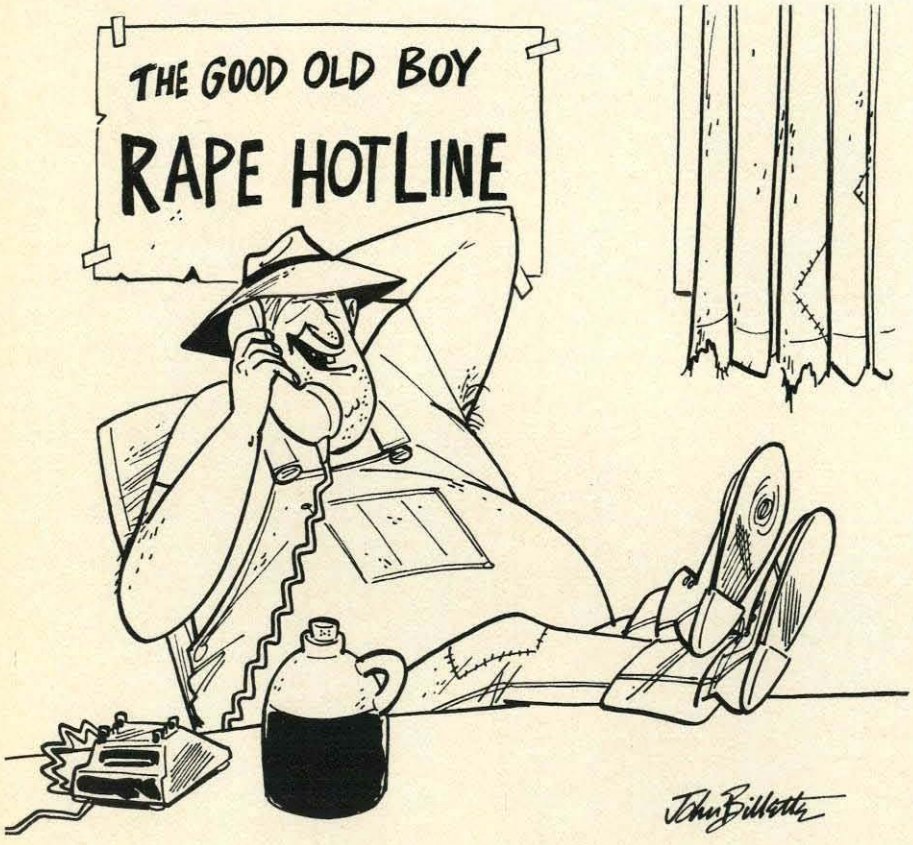

I clock in and go to the watch commander's office to check my assignment for the day. They have me working "misdemeanor search," which means I will be removing all personal objects that the arrestees have hidden in their pockets, shoes, socks and orifices. If they are drag queens, drug addicts or felons, a rectal search will be required. The search area is located directly upon entering the jail through the back entrance. It is here where all of my work takes place today.

At 7 a.m. the sound of the rear-entrance buzzer is heard. The senior station officer presses a button, and the back door automatically opens. Here come the police, dragging two incoherent drunks by their arms up the ramp. The doctor greets them both and "examines" one of the lushes by smothering a rag full of ammonia over the man's face. He moans in agony, and the doctor is satisfied that he is alive and able to be booked. I drag him over to Tank 101. He passes out and waits to be booked.

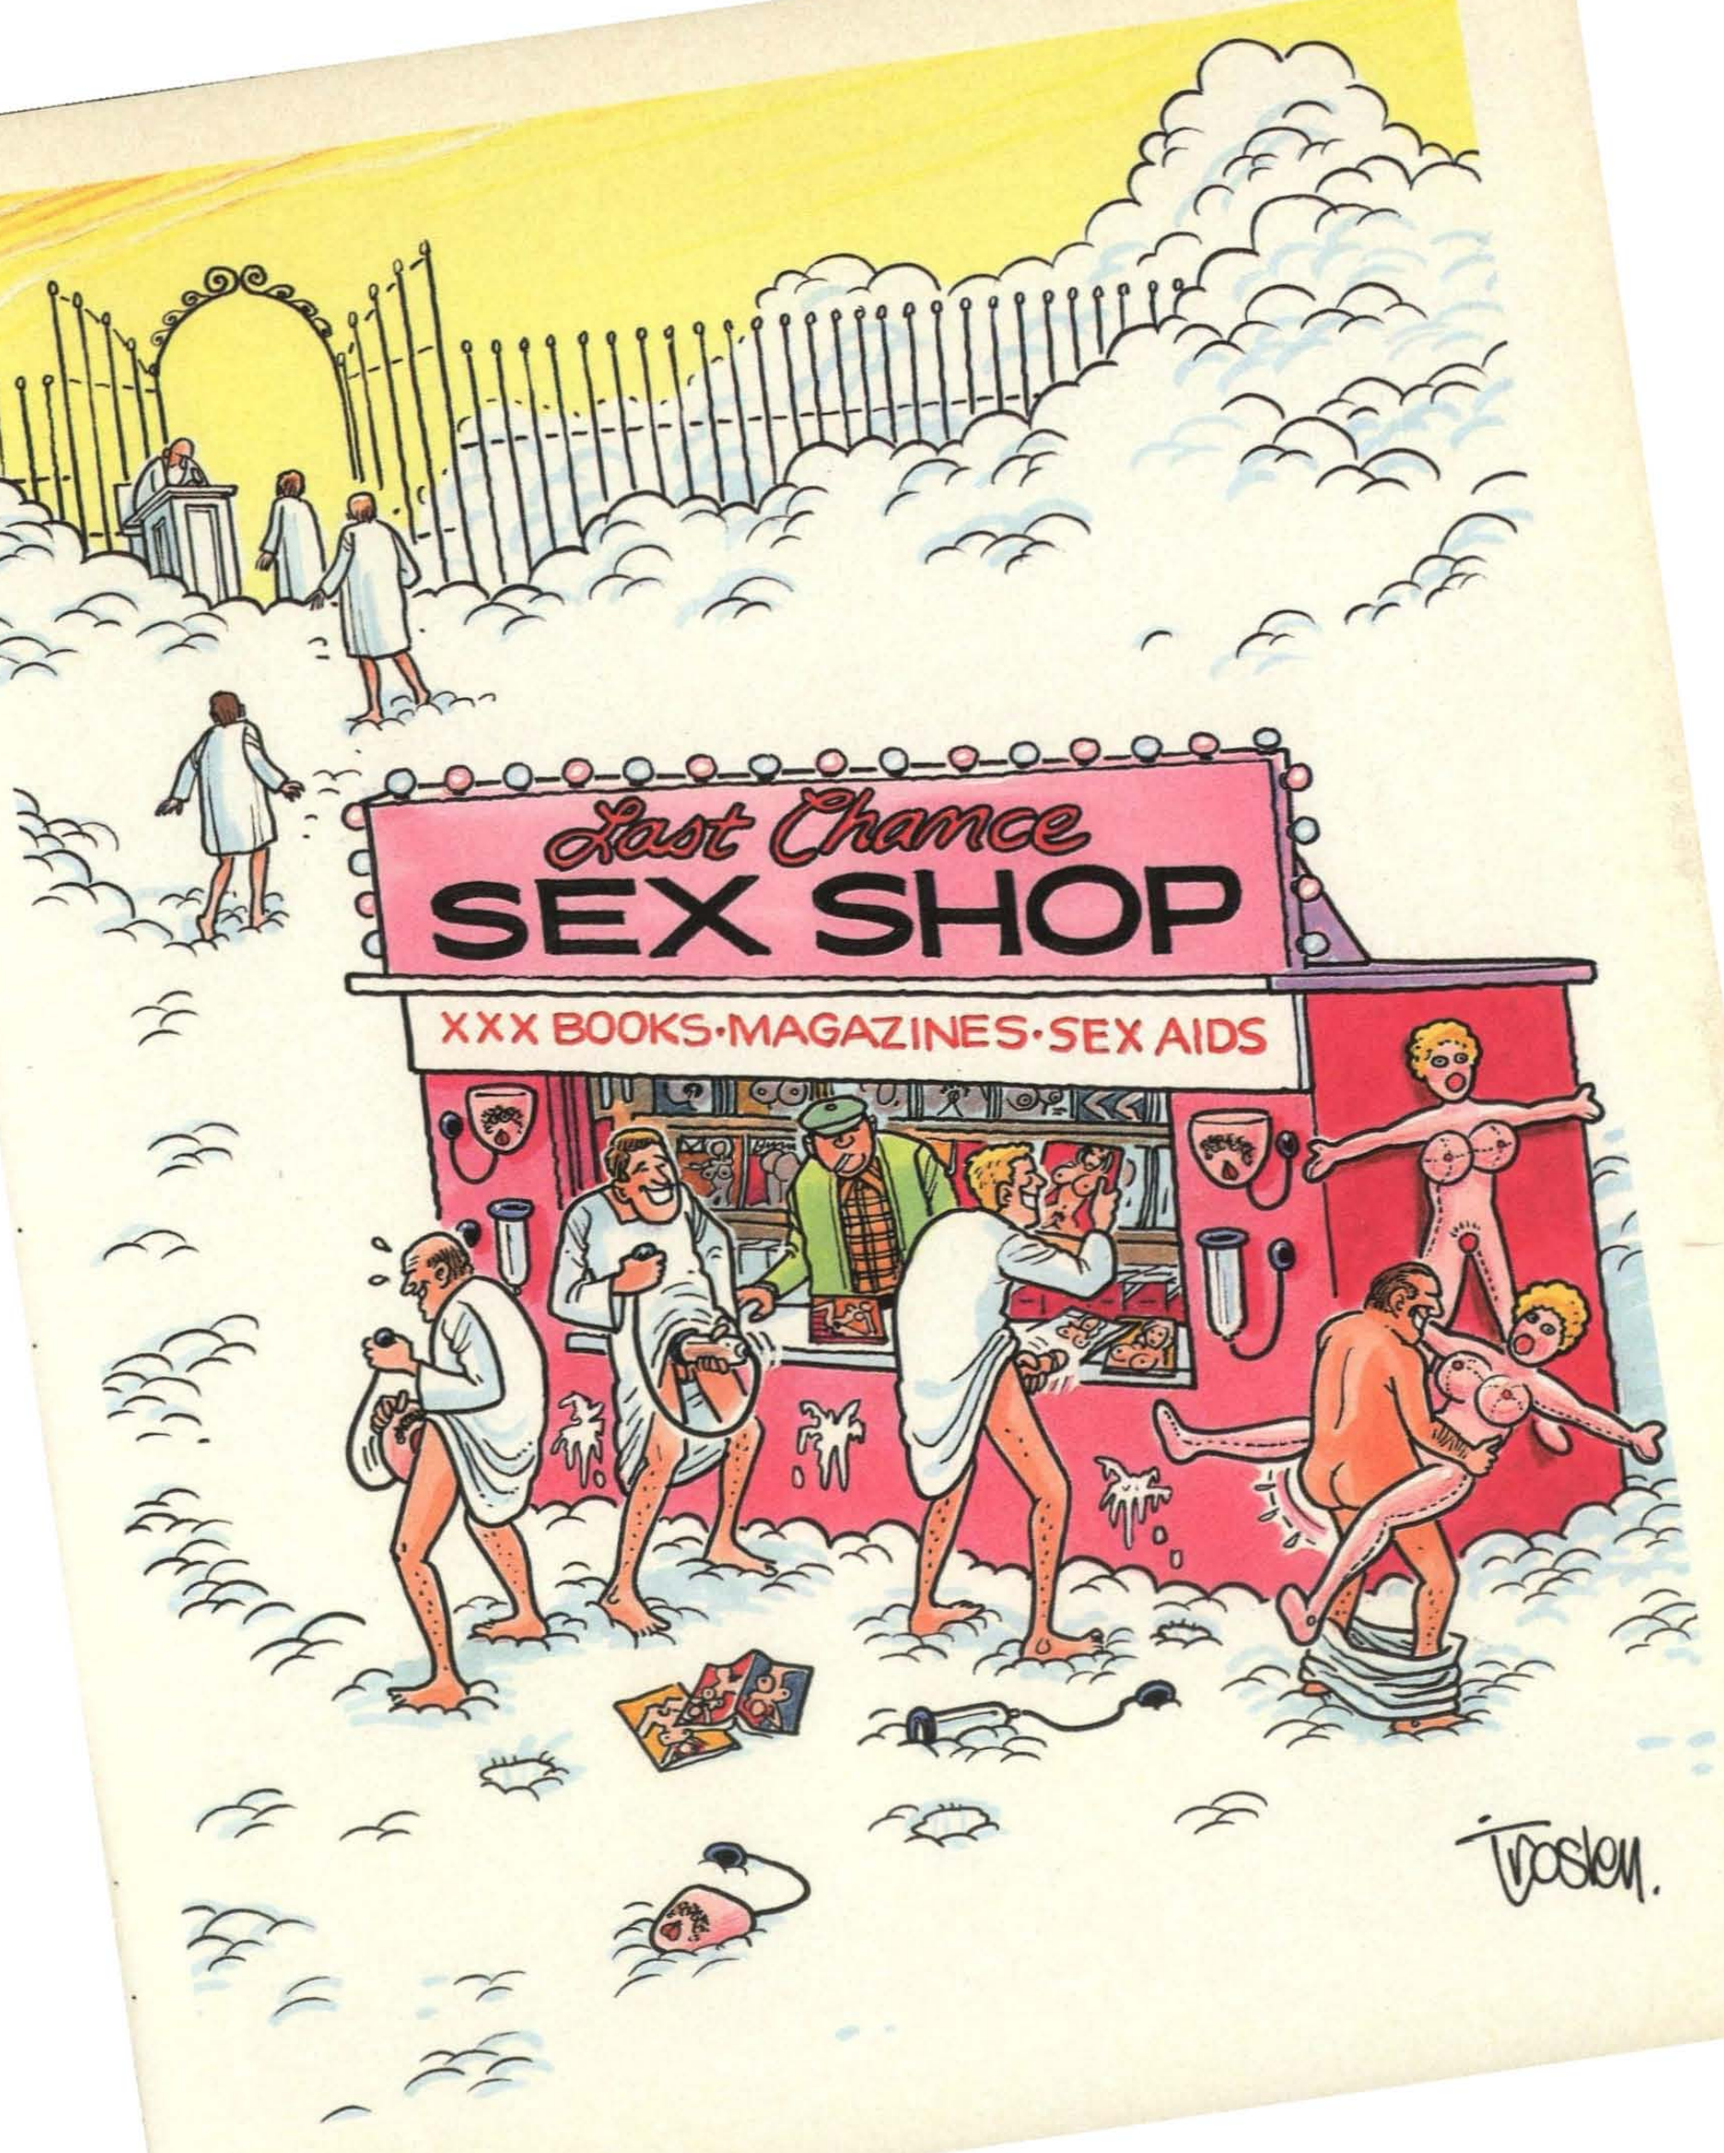

The other drunk, lying on the floor unconscious, is approached by the doctor. The doctor grins as he steps on the man's arm. Since he cries out in anguish, it is determined that this alcoholic is also alive. After the "examination," I haul the inebriate to Tank 101 to join his cell mate.

As I return to my post, the B-Wagon officers have completed their deliveries and are on their way to their next roundup. Waiting for me is the usual assortment of Skid Row residents, sitting in line in front of the doctor's office. Only one of them resists, insisting that he is here by mistake.

For the sake of the other officers, who are tired of his strident complaining, I decide to have him processed next in order to get rid of him as fast as possible. As I direct him toward the booking window, he complicates matters by walking in the opposite direction. Instead of controlling the arrestee by means of physical force, I try the psychological approach and find myself politely begging for his cooperation. Unfortunately, I'm losing ground, and the bum is getting the better of me. As the situation intensifies, one of the senior station officers grabs the guy and shoves him toward the

Maggots have set up housekeeping in the festering, pus-filled gash. The man is lucky; the maggots eat the bacteria in his head.

window. My supervisor tells me to follow him into the watch commander's office.

Behind closed doors I am reprimanded by the lieutenant. He tells me that he witnessed, through closed-circuit TV, the altercation between the drunk and myself. He yells at me and insists that this is a jail, and it is my job to control the inmates. He states that this is no "summer camp," and that if I want to baby these bums, I should find another job.

I slowly walk back to my duty and grab the next waiting victim by the collar. When he resists slightly, I administer a wrist lock and slam his head into the plexiglass window. Before I'm finished going through his pockets, the sergeant motions for me to come around to the other side of the partition and take a look at the drunk's face, which is bleeding profusely from the nose and mouth. The sergeant calls for the doctor to apply the necessary first aid.

One of my fellow station officers congratulates me on a job well done and shakes my hand.

The next drunk is a 50-year-old man wearing an old, white, ill-fitting dress which is too tight and soiled with stains. As I approach him, he becomes agitated and yells out, "I know the judge. I can give blowjobs to anyone I want. I won't get into trouble." He is not combative and walks straight ahead to the next booking cage. His face and hands are filthy, and his fingernails are bitten and torn down to the quick, except for the missing thumb on his left hand. I also notice a gaping hole in his neck about the size of a quarter. These deformities will soon be recorded on the official booking form under the heading "Physical Oddities."

There's only one man left, and he hasn't said a word the entire time. He hasn't even moved. This tramp's head is covered with a dirty, blood-stained bandage. The doctor hasn't examined this body yet; he was called upstairs to Felony to revive a child molester who was suffering an epileptic seizure.

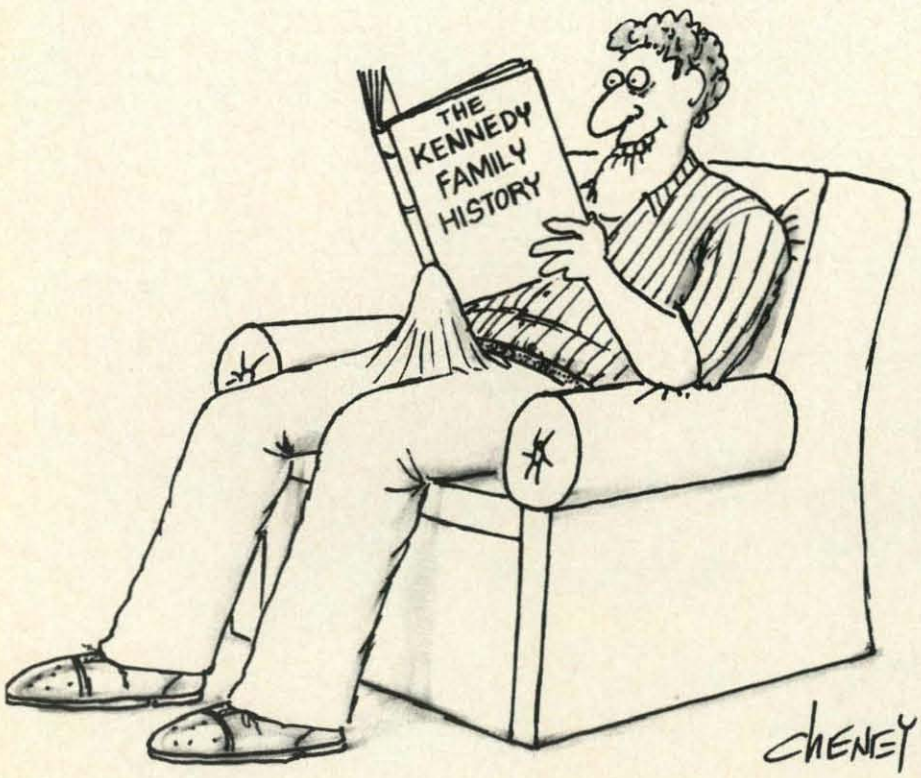

When the doctor returns to the searching area, he walks over to the quiet man and removes his bandages. A strange look crosses the medic's face as he peers into the patient's head. The doctor motions for the sergeant to come and take a look. The sergeant picks up the phone and tells everyone up in Felony to come down and see the show. Apparently the drunk had been lying in the gutter for several days; the wound in his head is now infected. Thousands of maggots have set up housekeeping in the festering, pus-filled gash. The man is lucky to have the maggots; they eat the bacteria accumulating in his head.

It is 9:30 a.m., time for me to take my break. I'm hungry and decide to go out to the catering truck and order a pastrami sandwich on Armenian bread. The fresh air and the walk down the block make me feel good.

As I reenter the facility, I walk into the processing area, talking to one of my coworkers. I glance in the direction of Tank 102 and notice the guy in the white dress. He's giving a blowjob to the sleeping drunk next to him. I suggest to the sex offender that he stop this disgusting display of affection. He listens to me, turns over and proceeds to fall asleep.

As I reprimand the drunk in Tank 102, a police officer is taking the fingerprints of an Indian who claims to be the son of one of the chiefs of the Sioux tribe. The Indian is approximately 6-4 and weighs about 225 pounds. He yells and demands the return of his beads, which were confiscated when he was booked. He insists his medicine beads have spiritual powers and will protect him from harm. The policeman, approximately 5-9, stocky and built like a solid hunk of iron, ignores the chief's pleas. The Indian belligerently jerks his hand away from the fingerprint pad. The officer grabs his wrist and twists it with such force that it snaps. The redskin, though in excruciating pain, shows no emotion. It is about an hour before he is transported to the county hospital.

At the sound of the wrist breaking, my mind flashes back to my two-week training program at the police academy, where I was first introduced to various methods of pain-compliance controls. These controls included wrist locks, arm twists and choke holds. The choke hold, being the most dangerous of the three, was practiced most often. There are basically two types of choke holds—the carotid and the bar-arm control hold. The carotid choke hold is performed by squeezing the victim's neck in the fold of the forearm and upper arm. This applies pressure to the carotid arteries on both sides of the victim's neck, causing a lack of oxygen to the brain, which results in unconsciousness. The bar arm is accomplished by applying pressure to the victim's throat using the inner forearm and squeezing tightly. This causes constriction of the windpipe, which leads to loss of

oxygen and also results in unconsciousness. To obtain maximum pressure, the free hand is used to force back the arm, which is wrapped around the neck. It is vitally important to remember that if these holds are kept on the victim's neck for longer than 12 seconds, brain damage or death may result.

The next hour and a half is uneventful. I read the paper, do sit-ups and talk with a few of the other station officers. Because things are quiet and under control, I take my lunch break. I walk to the Far East Cafe. In a few minutes, my beef-and-rice plate arrives. About halfway through the meal, my stomach turns. The rice appears to be moving, in the manner of the maggots that I'd encountered in the man's head. I leave most of my food in the bowl and start back to work.

By 12:15 I'm back from lunch. Within a few minutes, the FBI brings in a white man in his 30s who has just killed a highway patrolman with a gunshot through the head. Everybody stops and instantly rushes around the murderer. He refuses to be fingerprinted. I can tell by the look in the senior station officer's eyes that something must be done immediately to resolve this situation. I see an opportunity to prove myself. I maneuver through the crowd and grab the suspect around the neck. I apply the bar-arm choke hold, fling him to the ground and render him unconscious. When he comes to, he's as gentle as a lamb. Upon his complete cooperation, he is fingerprinted by the processing officer.

I'm thirsty; so I get a drink at the water fountain and take a rest. The clock shows 12:30, and a patrol car pulls up in the parking lot. Out come two officers and what appears to be a black drag queen. The officers are forcing the hysterical prostitute up the ramp and into the jail. "I am a woman," screams the arrestee. "I had my operation last Wednesday, you dirty bastards." The policemen let "her" go, and she becomes my responsibility. I reach out to grab her arm. She kicks me in the left leg and is immediately subdued by the arresting officers, three jailers and the sergeant. The prisoner becomes increasingly combative, spitting and scratching. Throughout the ordeal, the queen keeps insisting that she is no longer a man and should be booked as a woman.

The sergeant steps in and tells us to drag her into the infirmary and strap her to the table. After we finally accomplish our goal, the doctor is able to remove her underpants. "Why can't you believe me?" she pleads to anyone who will listen. All of us put our heads down to see what this creature is. Before our eyes is a vagina. But the doctor unfolds the vagina, and underneath is part of a penis. The doctor says, "Book him as a man. The operation is not complete." The queen starts to cry. Her sobbing is drowned out by the drunk in Tank 103. Whistling and making chirping noises like a bird, he periodically shouts out, "You people made me the Bird Man."

At 1:00 the back door bursts open, and two white officers wheel in a stretcher. On the stretcher is Alvin Whitehead, a black man who appears to be unconscious. The officers rush by me, shouting that the prisoner had to be subdued by means of the choke hold because he was combative, uncontrollable and under the influence of angel dust. They are taking him to the padded cell before he regains consciousness. The sergeant on duty, myself and several other officers follow the stretcher. The arresting officers appear overly anxious to get this guy in the cell. The sergeant orders the policemen to stop. He steps up to the stretcher and takes a close look at the victim. The arrestee is pale and not breathing. The sergeant calls for the doctor. This is no routine arrest. Something has gone wrong.

Within seconds, the doctor and his assistant come running down the hall. The doctor determines that Whitehead is dead. The male nurse refuses to accept the diagnosis and frantically pleads with the doctor to try and revive him. The doctor looks around at our questioning faces, pauses and allows the nurse to wheel the stretcher back to the examining room. With super urgency, the doctor hooks the body to the electrocardiogram machine and starts pounding on Whitehead's chest. We watch the machine in anticipation; however, the lines are straight and level, and there is no sign of a heartbeat. With time running out, the electric paddles are applied to the patient's chest, and the "Stand Clear" command is given. The body reacts to the shock by leaping off the table several inches. I interpret this as a sign of life and start to cheer the man on. Twice more the shock treatments are used, and the body reacts the same way. Surely now Whitehead is well on his way to waking up. However, my hopes are short-lived. The doctor repronounces Whitehead dead.

The coroner is summoned, and everyone returns to their stations. The image

PORN STAR ABROAD
SANDRA SCREAM'S
HOT VIDEO VACATION

In which a nubile nymph survives the curse of TWA, grueling publicity stunts for French photographers, horny Frog cops and rampaging hordes of European tit men.

All Photographs by James Baes

"Sandra Scream...she is very famous."

The symptoms of TWA dementia are hardly discernible from the ordinary effects of hunger, exhaustion and sensory deprivation. The long-term Trans World traveler crosses a threshold of creature discomfort from which there is no turning back. Witness the harrowed, *Island of the Damned* eyes. The slack-jawed mouth. The stooped posture. The folded, spindled, mutilated luggage-claim ticket, useless in matching any of the few battered bags that circle futilely on the TWA carousel of perpetual misery.

The syndrome is particularly heart-wrenching in women who under normal conditions are voluptuous. Sandra Scream huddles among a group of recently released TWA passengers at Charles De Gaulle Airport. Her traumatized chest trembles beneath a CRUELTY FREE BEAUTY T-shirt.

Sandra is a porn starlet and exotic dancer of international repute. She could not look more abandoned if she were common courtesy. She hides her face in her hands. What has become of the romance that is France?

Welcome to Paris, courtesy TWA.

* * *

The French are just like everybody else. The men don't get laid as often as they'd like to. Consequently, the typical Parisian newsstand overlaps with competing skin mags. Boobs, butts and bimbo scowls vie for the market share of a sex-yearning male populace. Writhing up near the top of the flesh heap is *Hot Video,* a sort of *People* magazine of the porn world. The *Hot Video* brain trust are masters of the media event, which is why Ms. Scream has come to France.

Meanwhile, Sandra has another hour and a half to languish in TWA luggage limbo, the most well-endowed passenger to ever do so.

* * *

Some women restore themselves with cosmetics; others use illegal powders. For Sandra Scream, a video camera is a magical regenerative.

"Sandra," calls out a Gallic, cigarette-aged voice. The *Hot Video* entourage never goes anywhere without a camera crew. "Sandra Scream, look this way."

It's a professional video camera, and the red light is on. It's live, and so—suddenly—is Sandra Scream. A new being rouses within her, breaking through the surface skin in a gorgeous glow of glamour. Her eyelids bat, her lips smile, her tongue snakes out and waves "come suck me." The *Hot Video* honor guard parade-marches Scream through the bustling airport. Flashbulbs pop, and the camera crew desperately back-scuttles to keep Sandra and her retinue in range. The regular passengers are somewhat perplexed. They're uncertain what the fuck is going on, but they know they don't quite approve.

Outside, in the traffic area, cars stall, congest, back up and crash as Sandra pauses for some candidly staged photographs, then piles into a topless Porsche.

" We saw a great girl."

Exploitation alfresco.

On the highway, cars weave and switch lanes at critical velocities. Scream vamps over the top of the Carrera. It's as if she were never even on a TWA flight. Her billowing, waist-length hair flaps out in the back draft as her ballistically sound breasts float upon the breeze. That tongue of hers roto-roots out, eating air-pussy at 120 kilometers per hour.

Red-blooded Franco truckers, looking directly down upon Sandra's dancing cleavage, maneuver with reckless abandon, wrecking taxis, a school bus and a mini-van full of nuns, in their haste to get close to the seething Scream.

A cinematic view of Paris sweeps open before Sandra. She scoots her ass onto the trunk of the Porsche, raising herself on a mobile dais as the car veers around the Arc de Triomphe. Sandra strikes a dramatic pose atop the speeding Porsche, the most triumphant entrance of Paris since Adolf Hitler's.

Tits working double time.

Exhibitionism is more than a profession for Sandra Scream. Titillating male hordes is her vocation; she has experienced a calling, like some women do to become nuns.

The young American sex star perches upon a handrailing in a public park behind one of Paris's busiest shopping malls. Sandra slips two hands full of boob out into the open air. Strolling bourgeoisie gaze nonplussed by this lion-maned blond vision of super-pneumatics in a plunging polka-dot neckline.

Sandra is being photographed by a professional photographer. A live-action video camera covers the story of the photographer and model. A third cameraman documents the video coverage of the photographic event. A journalist jots notes for an article to encompass the camera shooting a camera shooting a camera.

Fresh meat in a piranha pool.

A gangly Nigerian catches the free show of Sandra's silicone supplements. He stands transfixed, a hand gently stroking within his pants pocket, until he remembers that he is on his way someplace else. His smile remains as he walks away. This is his lucky day. If fortune holds out, he will soon find 100 francs on the ground.

Despite being the point of entry to the Cannes Film festivities, the Nice airport is devoid of movie stars. There aren't even any paparazzi. A pair of farm girls hands out free roses to promote the upcoming flower festival at nearby Grasse.

Things heat up with the arrival of Sandra Scream. An old, bald guy spots Sandra in her cowboy boots, white tights, massive goldilocks and breast-stressed shirt. The old, bald guy straightens his red tie, gets a scrap of paper out of his gray-suit pocket and approaches. Sandra graciously gives him an autograph. The old guy stands out of the way and lights a cigarette.

Travelers come and go with a blasé glance; no one seems very interested. Still, the old guy with the red tie knows he has snagged something special.

French representatives of various European porn concerns introduce

Photogs in a flashing frenzy.

"I'm blond, and I've got big tits," says Sandra, as she squats on the toilet and indulgently smiles for one more insistent shutterbug.

themselves to Sandra, one by one. Each, with great solemnity, presents a solitary rose. *"Merci* ['Thanks a lot, greaseball'], *"* says Sandra, accepting the freebie farm-girl flowers. *"Merci, merci, merci."*

Out in the Nice airport parking lot, Sandra perches upon a pile of luggage.

It's the middle of the day; cars cruise the lot, looking for parking places. One of the three photographers suggests Sandra would present a more dynamic tableau were she to take off her shirt.

She peels off her bra as well. The pictures become absolutely fascinating. Big tits attract big attention, including that of the Police Nationale.

Two uniformed officers of the law pull up. The police have a problem. Their problem is that they want to be in the picture. Sandra welcomes them as active participants. With police protection, her inhibitions are tossed aside. She hangs her bra on the ear of the elder cop.

"Fantastique," says the younger cop, his eyes bulging at Scream's bulges. "Your name is?"

"Sandra. Sandra Scream."

"Like ice cream?" He licks his chops.

The *Hot Video* center of operations is a villa 40 minutes high in the hills behind Cannes. More photographers arrive. A house full of photographers is like a bunch of kids with new BB guns. They all run around trying to find something to shoot, aiming at anything.

"I'm blond, and I've got big tits," says Sandra, explaining the phenomenon as she squats on the toilet and indulgently smiles for one more insistent shutterbug.

One of the camera-wielders is not a professional photographer. He is a pilot for Air France. He has won a *Hot Video* contest to attend the Cannes Film Festival with Sandra Scream. He has gotten within six yards of Ms. Scream, and is encouraged by that proximity.

Mr. Air France is excited about the possibility of being on a boat with Sandra, until he learns that his assignment is to shoot a skywriting plane during takeoff. He's a pilot. He's seen plenty of planes. If he'd wanted this kind of frustration, he'd be working for TWA.

Big-shot movie people come out like vampires, crowding around the Palais du Festivals. The men are cadavers in stiff, black tuxedos. The women are goose-stepping crows—faces powder-white, dresses all black, a board up the ass ensuring that their hips have no twist.

A commotion stirs the spectators. Sophisticated, international, debonair, the crowd is taken in by the simple ploy of a stacked blonde partially squeezed into a sheath of skintight, silver sequins.

Sandra's promenade turns a crowd of cool fish into pools of teeming piranha. A swirl of photographers, pro, amateur and home-video hobbyist, slash and bash at one another to get near Sandra, risking limbs for camera position. Sandra picks up a swelling tide of admirers, sweeping toward the invitation-only Palais. Fear blanks the eyes of the grand master presiding over the guest list.

Sandra moves on, as inexorable as the pulse of humanity pushing forward with her. A wall of gendarmes links arms and repels Sandra and her frenzied lemmings. The cinema brokers and world beauties sigh in relief as the most popular curve on the Cannes horizon is turned back.

A gray and stooped French grandma glows with bliss. "We saw a great girl," she enthuses, "a great girl."

Within the hour, Sandra and entourage sit ensconced at the poolside cafe of the Majestic Hotel. It's a fairly young, nose-in-the-air crowd. Everybody lights cigarettes at the same time and exhales.

"What do you think of the French people?" asks leprechaun *Hot Video* editor Serge. "Crazy, eh?"

Sandra looks like the homecoming queen after the prom. The pressure is off for now.

"It made me wet when all those people started coming at me," she recalls. "I thought, *Oh, God, I'm getting my period."*

The contest-winning Air France pilot sits across from Sandra, a dozen smoking obstacles between himself and she. He blinks continuously, assuring himself he will not wake up from this dream.

"What do you think of the French people?" asks lucky charmer Serge. "Crazy, eh?"

"I've got an Oriental pussy," states 21-year-old half-Asian Tisa, "but it's got the mind of a Westerner. Half of the time it lays low like a geisha. The rest of the time it wants to drain the fucking daylights out of every cock I see!" Which half gets the better of her? "Well," she smiles. "I'm a born Californian."

on the Mediterranean for a photo-shoot. The rest of the crew puts on extra parkas, but Sandra strips down to a bikini. Suddenly the deserted, blustery beach is crowded with wolf-whistling, hooting French yahoos. That's the way she likes it. Sandra takes off her top, and her breasts act like beacons.

The sidewalk, about 15 feet above sea level, quickly fills with straining gawkers. "Take eet oif!" they chant. "Take eet oif!" Surges of testosterone-addled males push from the back. The guys at the front get up on the sea wall and jump over. Some fracture arms or legs in the fall, then drag themselves forward to where Sandra has dipped her booty into the freezing Mediterranean waters. She holds up the bottoms of her bikini, her cunt and butt dipping below the water line. She flashes her bulbous ass and spins her titties to the groaning audience. Her nipples are hard.

Guys are jumping off the balustrade faster now. They've got to be nimble. They land, hop up and run. A few aren't so quick. They barely hit the sand, and the next clod is plummeting down upon them. A neck is broken. Several skulls suffer severe trauma. A couple of those guys are lying ominously still. Someone should probably stop to check their pulses, but a speedboat has arrived to take Sandra out to the larger cruise ship. The survivors of her impromptu strip stand for 200 yards along the water's edge, wading out to their thighs as she floats away. Guys dive under, just to breathe in water that may have washed her quim. They don't come back up.

The Studio Circus may not be the most chic disco in Cannes, but it will do for the world premiere of *New Wave Hookers 2*. The interior is red and plush. Pink and blue neon details the ceilings. Twin video monitors flank the dance floor, glorifying the pretty people squirming all over the place to the suggestive disco beat. This is the perfect audience to get snug and enjoy the unveiling of a major 35-mm erotic film.

"Because my wife won't."

The picture starts running, with gash starlets splaying their pussy lips behind the opening credits. The crowd gasps as little Madison inhales Peter North's massive prick. They're getting into it, onscreen and in the steamy seats. North achieves vaginal penetration, and the audience bursts into spontaneous applause. A successful event is at hand, but according to the *Hot Video* plan, everything goes off with a hitch.

The screen goes puzzlingly dead, before North even spritzes his load.

An hour and a half late, Sandra Scream arrives for her grand entrance. Did she take a TWA shuttle down from the isolated *Hot Video* villa? No, she was chauffered in a '57 Cadillac Sedan de Ville.

Hot Video had rented the Sedan and driven the quarter-century-old tank up the mountain to Sandra. The car was apparently too tired for the return trip. It needed a rest.

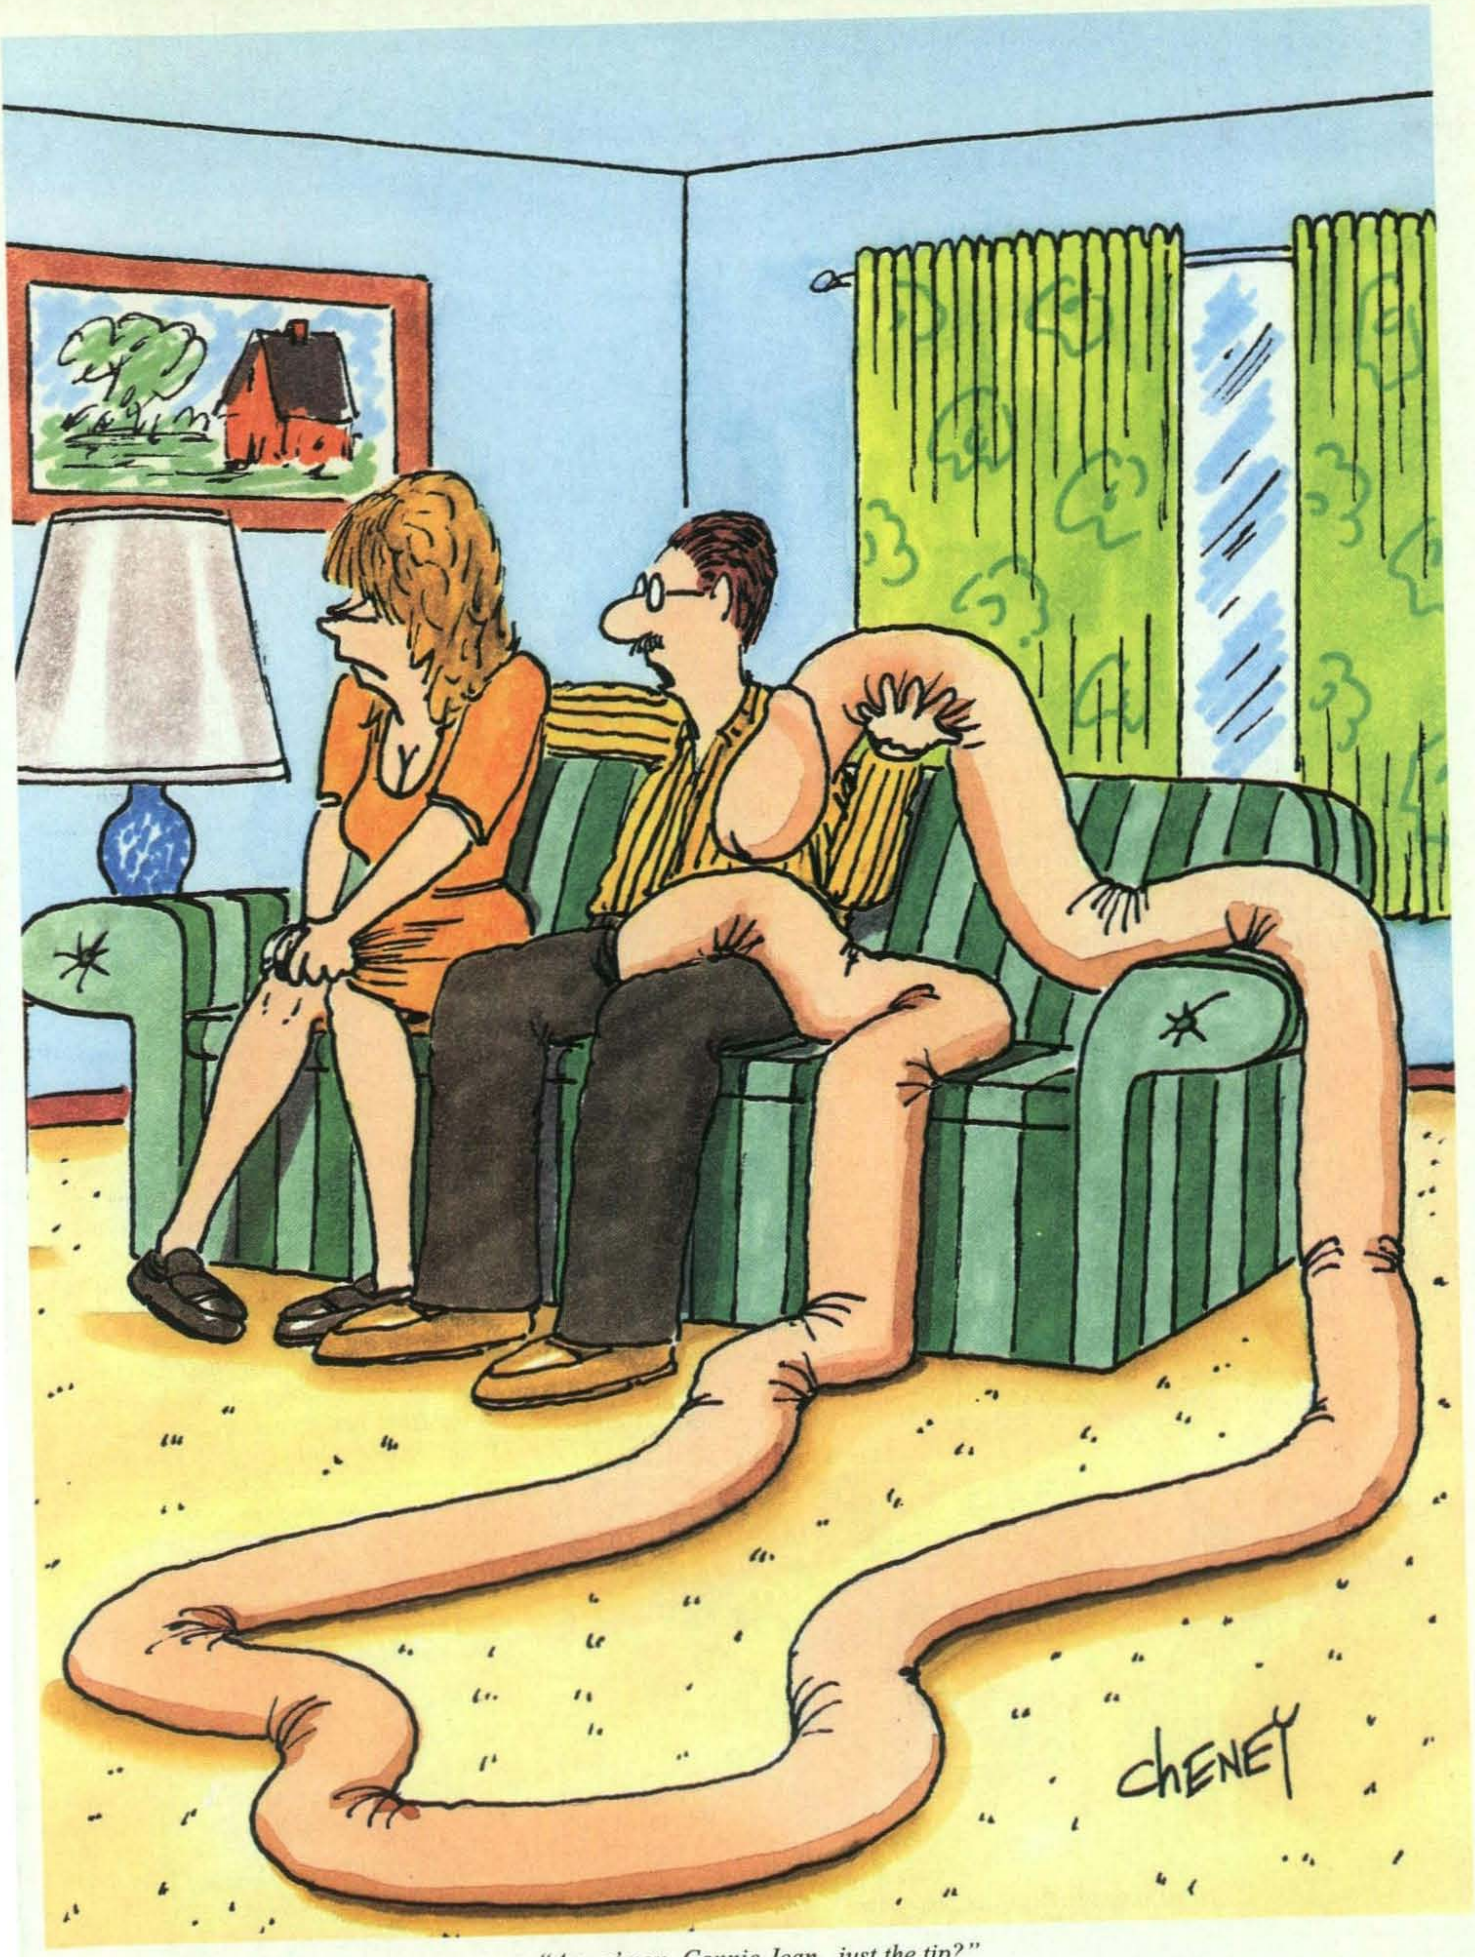

Sandra is paraded through the crowd, powerful spotlights following her swath. An approximation of joy shines from her features. She is exultant. She is worshiped. She is a fucking goddess. She sweeps from one side of the disco to the other, then she sweeps through again. That would seem to be sweep enough. Perhaps she would rather sit down and watch the movie, but no table has been reserved, though she is the guest of honor. Not even a chair has been set aside for her seat.

She makes one more sweep and is ushered into the backstage area, where a scandal transpires. Sandra has reached the end of her rope and would like to strangle some *Hot Video*philes with it. Sandra mutters about the HUA (Head Up Ass) Quotient. She's pissed, totally, and she'll stay that way, but she can't resist the pull of an audience. She's a performer, and she will perform, grudge or not.

The house lights black out, and spotlights catch her as she takes command of the floor. She works herself, and she works the crowd. A gang of photographers shadows her trail.

Her pussy lips rub the rim of a high roller's highball glass. He wants her to stay with her pussy poised a nose length away, but he wants her to get the fuck out of his face so he can get his lips on that glass.

Scream is kinetic. Her boobs doing twice the motions of the rest of her, she spans the room, strips a guy's belt, wraps it around her wrists and feigns helplessness, but only for a second. She conjures up a can of whipped cream and shoots it out from the folds of her lower

lips; the audience, male and female, eats it up with tongues hanging low.

Photographers clutter every turn, cramping Sandra's movement. She stops the show and importunes the shutterbugs to keep their flashes to themselves and let her operate in the unmitigated dark.

Sandra holds aloft Day-Glo tubes, and the nightclub goes pitch-black. She whirls and spills fluorescent liquid all down her tits and body, spinning and rubbing the stuff in like it's some kind of irradiated sperm. A photographer's strobe goes off, and a white glare negates the effect.

"Does that belong all to you?" hollers a tit-impoverished European in the South of France sun. The beach is littered with women whose tits are flopped right out in the open. All kinds—big, little, perky, bouncy. But he, and at least 400 like him, has eyes only for Sandra Scream. "Can you give me some?"

A little, old man sandwiched in a clapboard sign reading JESUS PARDON ("Christ, forgive us") is trampled by the hordes. He lies spread-eagle on his back, in the classic pose of crucifixion. A policeman, trying to get to Sandra for an autograph, urges him to move along.

All this stays in Sandra's eyes as she nibbles strawberries. A restraining wall separates Sandra from her admirers, or they'd be snatching the food right out of her mouth and stuffing it down their pants.

Sandra strolls down to the sandy beach. She lounges on a beach towel, basking in the playful touch of the warm breeze. The Mediterranean Sea sparkles in front of her, a deep Mediterranean blue. The Côte d'Azur sky is a brilliant, limitless, azure canopy above. It's like being in a whole different world, a world of her own, but not for long.

The first shadow is cast by the boom microphone of a soundman. His partner blots a sliver of sun, leaning toward Sandra with a video camera. The view of the deep, blue sea is cut off by a roving journalist, notepad in hand. Snatches of blue are obscured by the legs of jostling photo buffs, a crowd of whom springs up from the very sand, until the sea is lost behind the thicket of leering, shouting camera faces. Only the sky offers any escape. But cameras, hungry and ferocious, close in above her. The ring of photogs tightens, the ashes on their cigarettes hanging perilously long over Sandra's face and tits, spilling in, filling in the blue of the heavens. Sandra doesn't even have time to panic before the sky falls, and all goes black, still and dead.

Like a double-breasted phoenix, Sandra rises from the ashes, spreads her wings and flies back to Paris for the next publicity riot. She's on the back of a convertible Lincoln Continental, the *Hot Video* logo plastered upon its suicide doors. With no panties under the sheer, fishnet dress, her pussy is pristine and puckered in the breeze. The street is packed with Frenchmen, howling and baring their fangs like dogs after a bitch in heat. Sandra, however, is cool, in control, master of her element.

The Continental pulls up to the black-glass front of the *Hot Video* store, and Sandra is whisked inside. Two-legged bow-wows press against the store.

First comes the obligatory presence of the French police. A squad pulls up in a paddy wagon and shoulders into the premises for inspection. A moment later, blushing cops exit to cheers and hoots, and the paddy wagon steams away.

Sandra is enthroned behind a stack of *New Wave Hookers 2* cassettes. A few fanatics are let in at a time. They kneel for a moment in front of Sandra, take a snapshot, exchange a pleasantry, and are granted the privilege of buying a tape.

After an hour or so, Sandra steps down from one throne and visits another in the ladies' room. A *Hot Video* operative stands guard outside the commode. He has a rack of glass vials and cork stoppers and visions of making more money than he could selling bottled water from Lourdes.

"Don't flush," he calls in to Sandra. "I'll handle it."

It's been a whirlwind week, but Sandra is undaunted as she approaches the De Gaulle Airport's TWA check-in counter.

"My only regret," she sighs wistfully, "is that I didn't get to have sex in France."

No problem. She's about to fly TWA; so she'll surely get fucked.

"Do you have to pick your nose?"

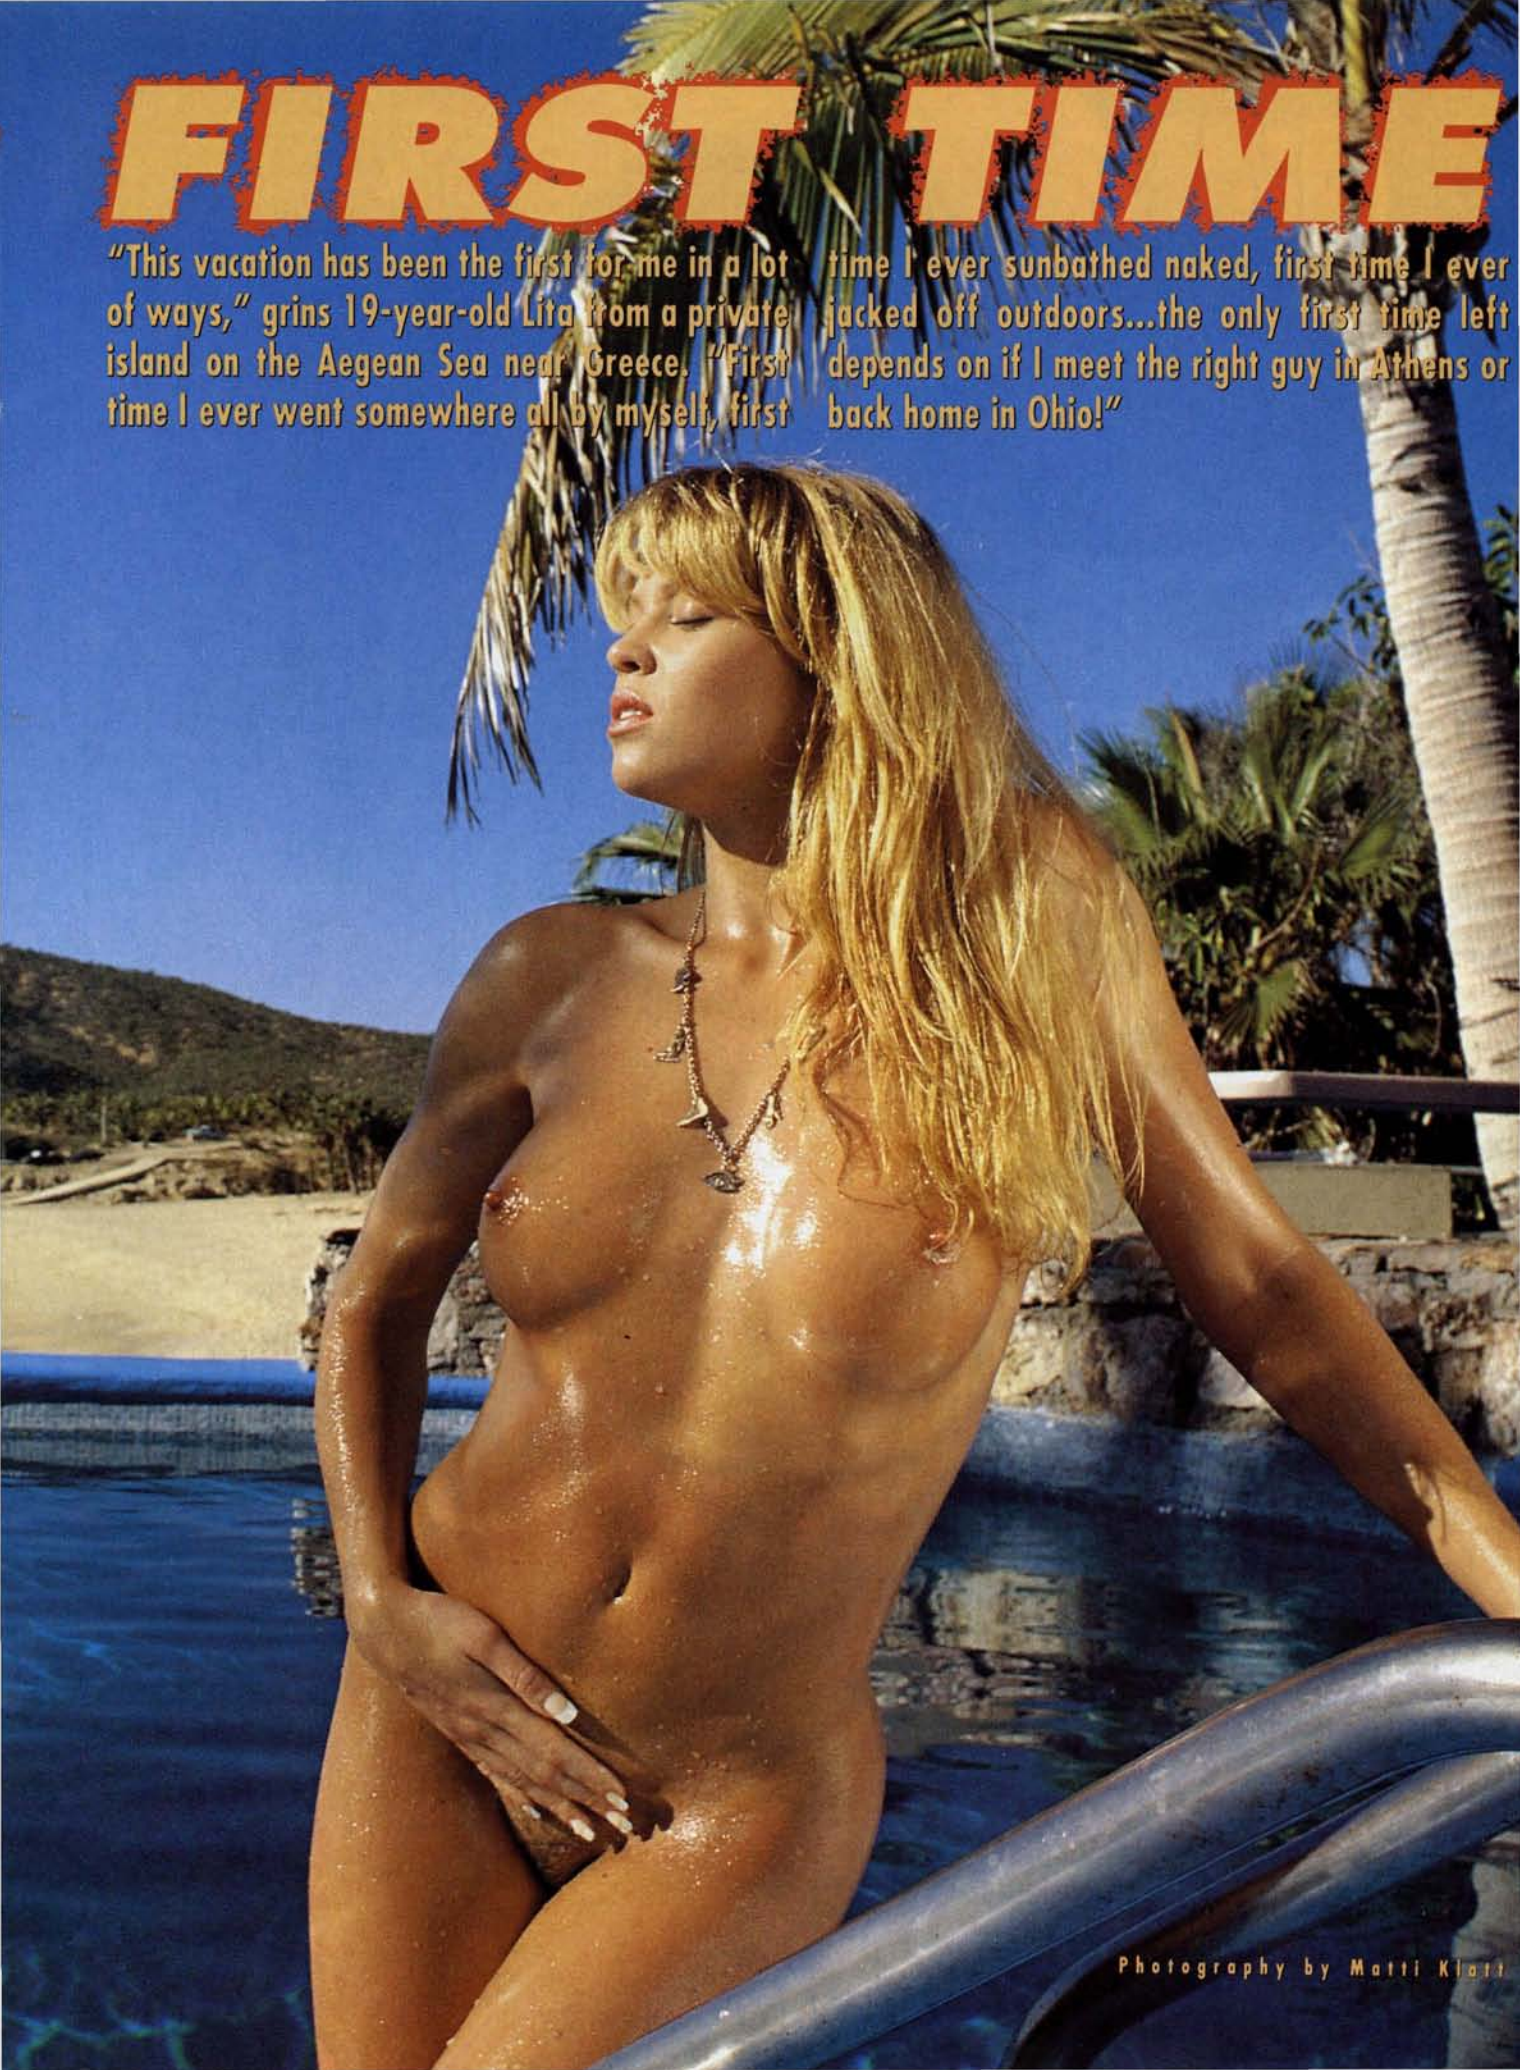

"Enjoy yourself, Lester—that is the last porn tape you bring into this house!"

Joe waited outside while his friend Henry went into his house for a minute to tell his wife he was going to play poker with the boys.

An hour later, Joe stepped up to the screen door and yelled in, "Hey, Henry! Just how much longer are you going to be?"

"Not long," Henry hollered back. "It's almost *my* turn to talk."

Bob was kicking back in his living room one afternoon when there came a loud pounding at the front door, and on the stoop stood two men in blue. Waving a search warrant in his face, the first cop said, "We're going to search your house, you fucking asshole, and this warrant gives us the right. We're also going to search your front and backyard, and there's not a damn thing you can do about it!"

"Go ahead," Bob said as he went back to the living room to sit down.

After the cops tore up the house, they headed for the backyard. Immediately, Bob heard the cops screaming bloody murder. Bob got up and looked out the window to see the pair racing like hell around the yard, with three pit bulls right on their asses.

"Call 'em off! Call 'em off!" screamed the cops.

"Fuck you, assholes!" Bob yelled. "Show them your fucking warrant!"

Question: Why do women have bellybuttons?
Answer: So men will have a handy place to keep the tartar sauce.

Jim went to the doctor, complaining that his wife was very sick.

"Your wife has been coming in here every week for two years with different complaints," the doctor said. "There's nothing wrong with her. She just *thinks* she's sick."

The next morning, Jim was back at the clinic.

"How's your wife now?" asked the doctor.

"She thinks she's dead," came the reply.

Mike and Bill were the best of friends and shared an apartment together. One day Mike came home to find Bill weeping into his hands. "I can't take any more. I'm the unluckiest person in the world!"

"You're always saying that, and it's just not true," replied Mike. "What's happened now?"

"Well, I met this beautiful woman on the street. We got to talking, and we stopped off at a bar. Then she suggested we go to her place, and I thought my luck had changed. Minutes after we entered her apartment, we were in the sack. I was just about to climax when we heard the front door slam and her husband call out. I didn't even have time to grab a towel. I leaped out the window and was hanging onto the ledge with my hands when he barged in, looked around and saw my hands."

"Jesus!" Mike exclaimed. "What happened then?"

"Terrible things," replied Bill. "He came over to the window and started banging on my knuckles with a hammer. Then he whipped out his dick and pissed all over me. Then he slammed the window down on my hands. Then, just to make matters worse, two old ladies saw me hanging there stark naked and called the cops, and they arrested me. Now do you see why I say I'm so unlucky?"

"Nonsense," Mike responded. "That could have happened to anyone."

"You don't understand," countered Bill. "When the cops arrested me, I looked down at my feet, and they were only four inches off the ground!"

Question: Did you hear about the Polish airliner that crashed into a graveyard?
Answer: So far, they've recovered 7,000 bodies.

Feeling romantic one day, Stan brought home a beautiful bunch of roses to his lover, Bob. Much to his surprise, the flowers brought on a tremendous attack of sneezing and wheezing that lasted for hours.

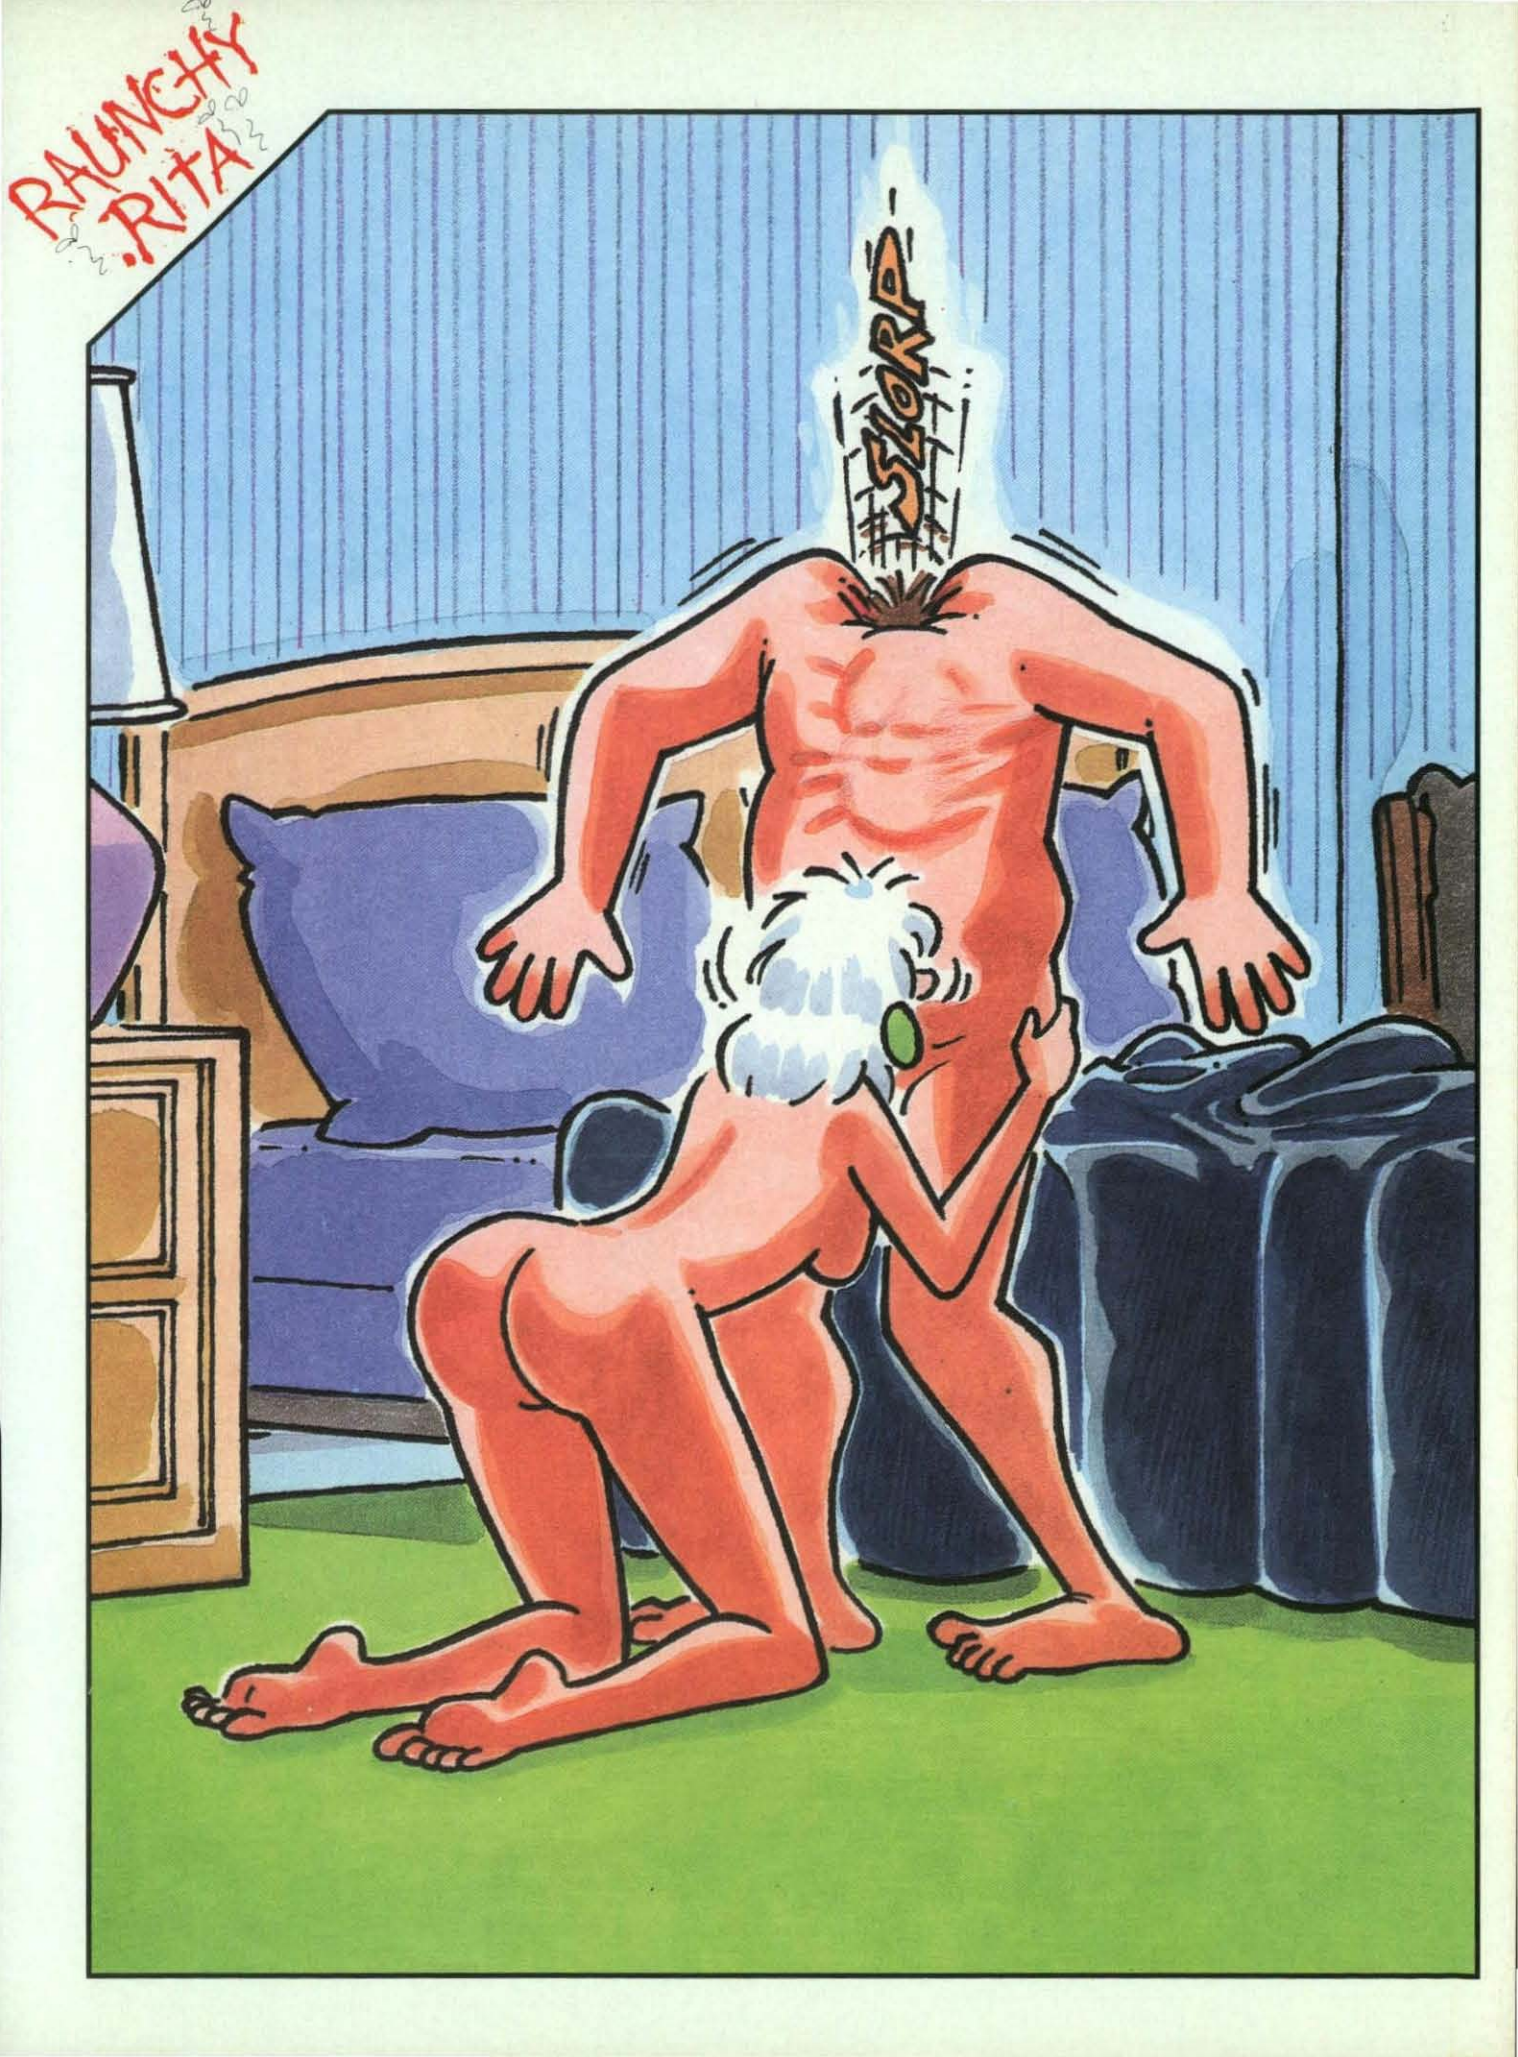

Still feeling romantic the next day, Stan brought home a lovely bouquet of lilies, but they had the same effect on his lover. And when an arm full of daisies sent Bob straight to bed, Stan lost his temper. "This is ridiculous," he snapped. "I want you to see a doctor."

So Bob made an appointment with a well-known allergist, bringing the suspect bouquets with him. After a series of tests, the doctor called Bob into his office.

"What should I do, Doctor?" cried Bob. "I'm afraid Stan will leave me if I can't correct this problem!"

"There's no reason to get upset," replied the doctor. "Just have your boyfriend change florists. This one uses pussy willows in their arrangements."

B.A.L.L.S.

Bernard threw more dollar bills out his car window. He felt smug about having discovered his own unique way of stopping gambling.

Bernard Atelier was 50 years old. He'd quit going to Reno in the early '70s. He'd sworn off the track in '75. He hadn't gambled in a decade and had a ten-year chip from Gamblers Anonymous to prove it. When the California Lottery got started back in 1985, he swore he would never play. He told his weekly Gamblers Anonymous meeting, "Hell, if I buy a single one of those measly tickets, I won't be able to stop till I've bought them all."

He was tempted, though. He laughed patronizingly at the lottery commercials on TV, but he watched and was tempted. He saw lottery machines at the 7-Eleven, and hopeful people purchasing tickets and picking numbers—and *hot damn,* he was tempted. The lottery was so cheap—only a *dollar*—which was especially hard to resist when those big jackpots got rolling. Like $50 million. Or $80 million. The biggest thrill of his gambling career was when Bernard had hit a $15,000 payoff in the quarter slots in Reno. The chance of winning 80 million smackers for just one dollar made his head turn inside out. Still, he held his ground. He knew damn well that if he bet on the lottery even once, he ran the risk of returning to his old ways. Blowing his savings. He'd accumulated winnings of close to $300,000 in 20 years, which he now kept safely stashed in the bank. *I'm a pro,* he told himself. *I understand the odds. It's virtually impossible to win. Why bother?*

Still, there was no escaping the lottery. That winter, the jackpot hit $100 million. The newspapers ran drooling front-page headlines. Radio and television stations featured updates every half hour. Bernard followed the story on all the media. *I'm just curious to see how far the insanity of the masses will take this thing,* he told himself. He knew the numbers he would pick, *if* he were to play. "Two, 4, 8, 16, 32 and 48. Can't just select low numbers like most people do out of sheer ignorance. Of course, I'll never join in the madness. Chances of winning are virtually the same whether or not I buy a ticket."

One summer night, Bernard was watching the news coverage on television when a vision formed in his mind of two boxes of Junior Mints. Without thinking, he reached for his wallet and checked his supply of cash. There were lots of bills. He immediately began to organize them according to amount: twenties, tens, fives and ones. He counted 11 ones. *Makes my wallet too bulky to fit comfortably in my pocket,* he realized. *Better go to the 7-Eleven and get myself two boxes of Junior Mints for one of the dollars, and while I'm there, I'll trade in the other ten ones for a ten. That'll thin down the old billfold just right.*

A long line of people waited to play the lottery at the store. Bernard stood in the candy aisle, grasping his two boxes of Junior Mints and watching the frantic crowd choose their Lotto numbers and buy Quick Pick tickets. *Those idiots!* thought Bernard. *I ought to buy a ticket just to show 'em how a pro picks winners. Sure, just one measly ticket, just to show those bozos....* A faraway look crossed his eyes, and he began shaking with excitement. Then he caught himself. *What am I thinking? Easy does it, Bernie. Now look at that—damn line's so long I'll never get up to the register to buy my candy and trade in my ones. Jerks!* He put the Junior Mints back on the shelf, took a dollar bill from his wallet, held it high above his head—and dropped it. While the greenback floated slowly to the floor of the 7-Eleven, Bernard Atelier held his head high and walked away.

Wow! he thought proudly. *I just overcame my deepest subconscious urge! I was going to buy ten lottery tickets, but I didn't!* He recognized instantly that this moment represented a watershed in his wagering career. *I've achieved a new dimension in self-discipline. Whenever I have to conquer my desire to gamble, all I have to do is throw away a dollar bill, and I'll be completely safe!*

He got in his car and drove off. Presently, he rolled down the window, took the wad of cash out of his wallet, peeled back a one and threw it out. *That's the way, Bernie! You've got it now!* He eased his foot off the accelerator a bit and enjoyed the passing scenery. After a few blocks, he peeled off another dollar bill and flipped it out the open window. His smile broadened as he drove and gradually threw out the bills one by one. "I've mastered my urge to gamble!" he crowed. He laughed out loud. "This'll show 'em what I think of their corrupt lottery and the dickwads who play it!" He peeled off another bill and was about to throw it out, when he noticed it was a five. He hesitated, then closed his eyes, stuck his arm out and dropped it. "Ahhhh...."

In the following weeks, Bernard threw several more dollar bills out his car window. Indeed, he came to rely on this preemptive strike against his gambling jones and felt rightfully smug about having discovered not only his own unique way of stopping gambling, but also a more fair and equal method of redistributing his wealth. Although he continued spending most of his time at home with his wife, Gladys, reading the paper and watching TV, Bernard considered himself something of a social activist. He never men-

tioned it to Gladys, of course. Far nobler to keep the news to himself. Every time he needed to toss a buck, he'd throw it away in a part of town where it might be found by poor folks, preferably children.

Bernard never brought up his personal cure-all at his weekly Gamblers Anonymous meetings. Didn't want to mess with success. Before long, he cut down on the number of GA meetings he attended. *Listening to all those stories about gambling every week always makes me want to go out and do it!* he reasoned. *I'm actually safer not going. I've got something better now.* He didn't let Gladys in on the revolution either. She gave Gamblers Anonymous the credit when he roused her out of sleep one night with the raging cock of a man half his age and twice his strength, remarking afterward that he obviously didn't need Reno to fuck like a high-rolling Lothario.

Since his newfound money-tossing ritual relieved him of any pressure to play, Bernard allowed himself to indulge in developing a system for winning the lottery. Every week he wrote down the Lotto numbers he *would* have picked and the amount of money he *would* have bet—if he were to be so foolish as to play. Then he took the same amount of cash and converted it into $1 bills for his week's driving and dispensing. He worked late at night so no one would spot him. On Friday mornings, Bernard got up quite early and checked the winning numbers as soon as they were announced, in order to verify that he would have lost. He felt proud for guarding himself from returning to the hell of his gambling addiction. *This system is not only helping the poor,* he marveled, *it is saving my life!*

During the first year, Bernard spent an average of $20 a week, or close to $1000. And he became something of an expert on the lottery. *Whole damn thing's nothing more than a scam! Was supposed to help finance education. What a disgraceful load of hypocrisy. And what a disservice to the millions of people who get introduced to gambling with those first few, supposedly innocent $1 tickets!* Bernard knew what happened when a person got addicted to the rush of easy winnings. It outraged him to see poor people playing Lotto at the 7-Eleven. *Don't they know the odds?* he raged. *Why doesn't someone educate those innocent lambs? There should be a lottery that really redistributes the wealth—that takes from the rich and gives to the poor.* But Bernard didn't know how that might come about on a scale any larger than his own puny system; so to calm his anger, he fell back on his tried-and-true method. He felt good about doing his own little bit for humanity. *I'm the Mother Teresa of the urban lottery jungle,* he smiled to himself. *The Robin Hood of Sure-Lose Forest. I've got B.A.L.L.S.: Bernie's Alternative Lotto-Lottery System!*

During the second year of his alternative lottery system, Bernard decided to increase the amount he would redistribute each week. *My $300,000 is safe, now that I'm not gambling,* he told himself. *It earns interest at 8% a year, which amounts to $24,000; so I'll redistribute $2,000 every month. That's roughly $500 a week.*

B.A.L.L.S. worked well at this level for about six months. However, early one Tuesday night in the middle of the seventh month, Bernard found that the $500 he got on Monday was already gone. Without spending any time deliberating about the pros and cons of altering his system, he cashed a couple of twenties to get some more ones to throw from his car.

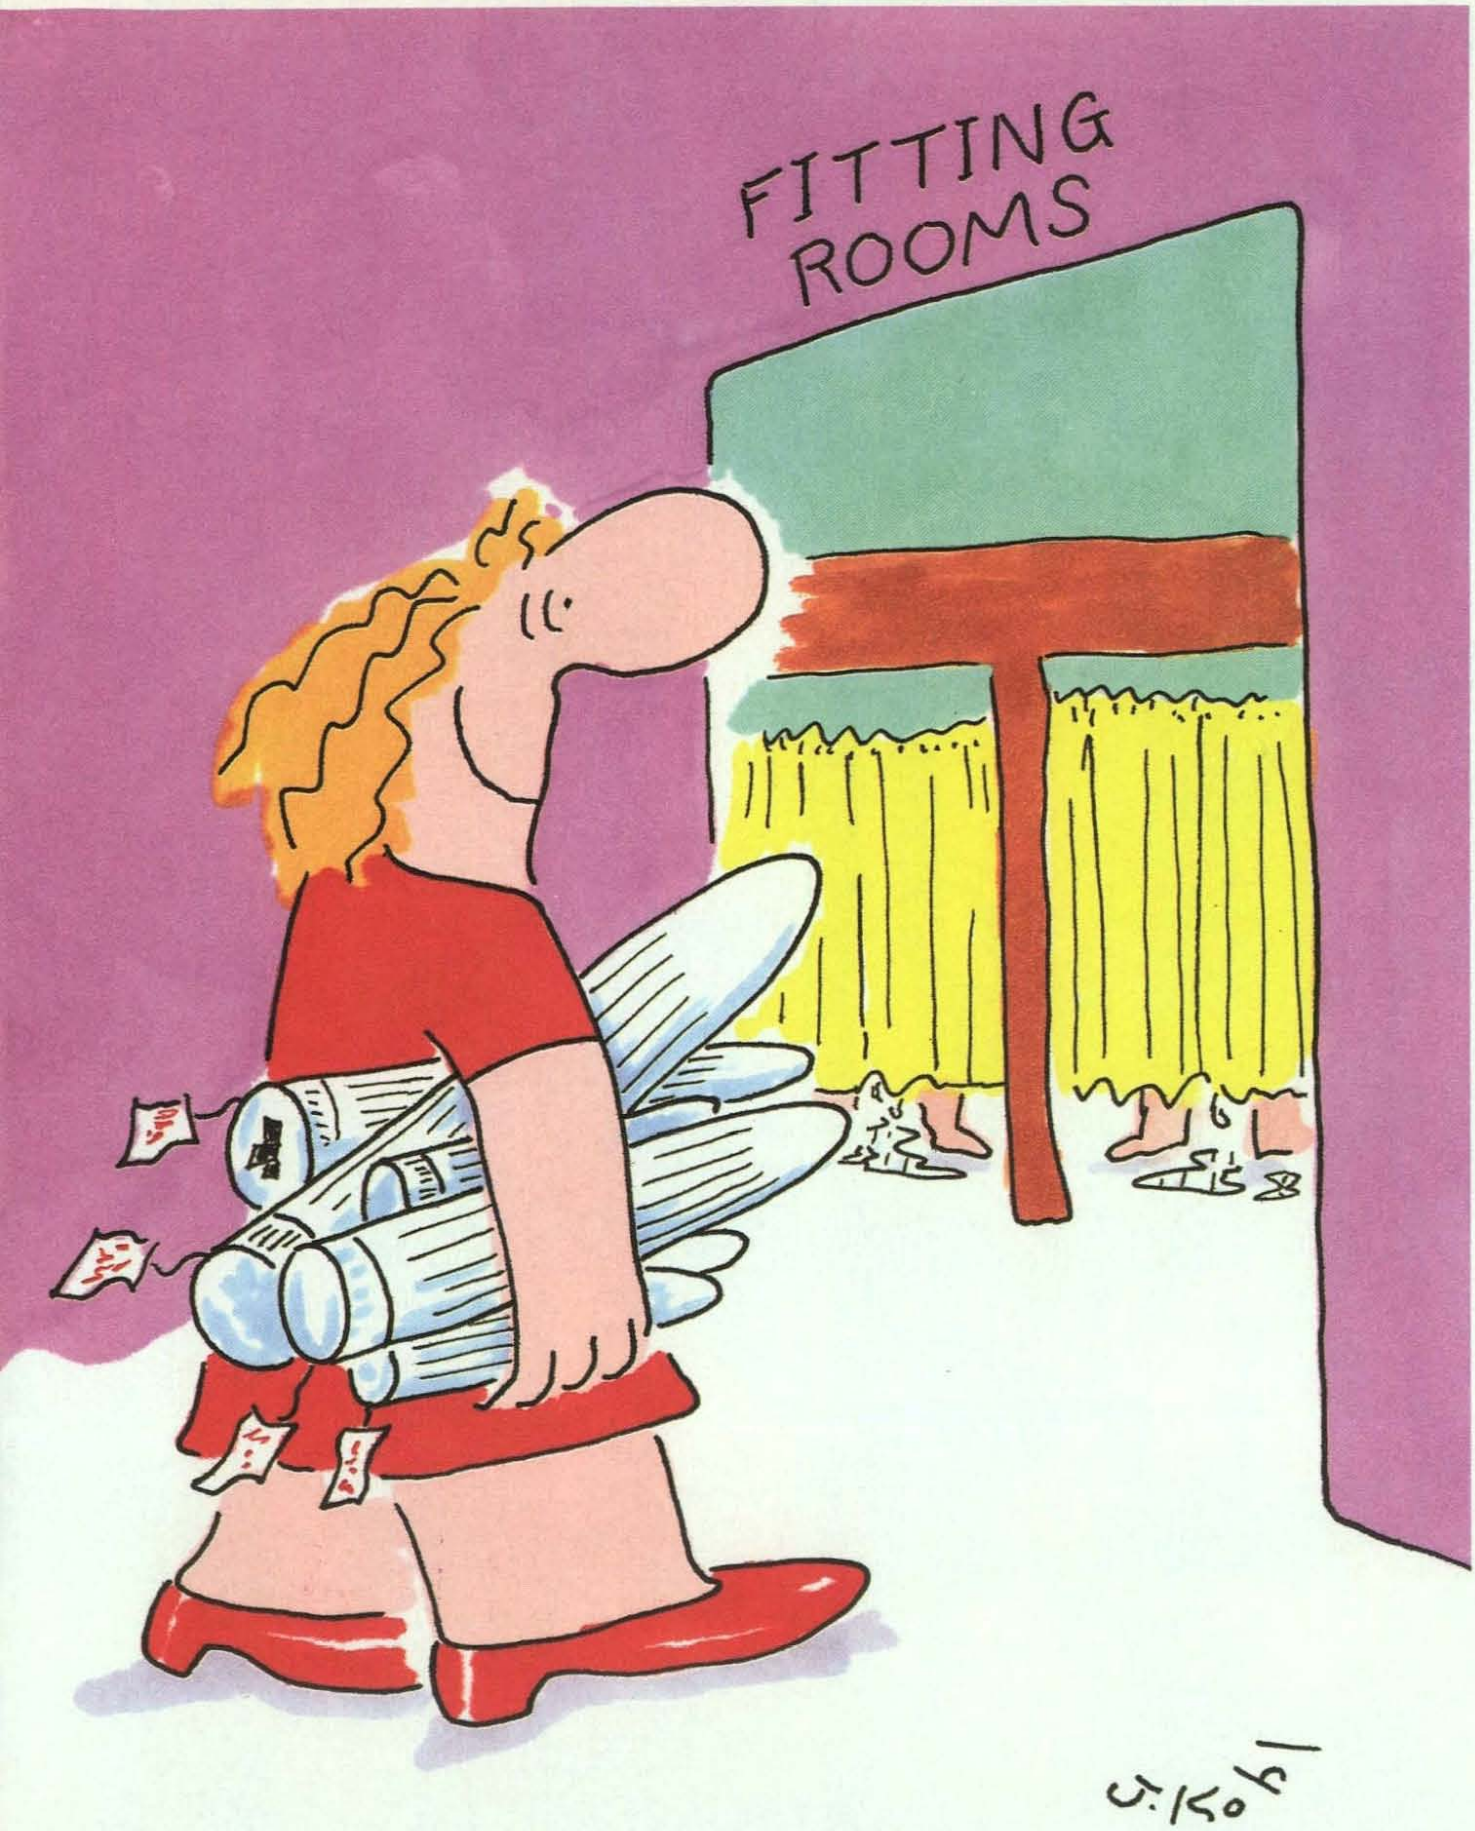

Every Friday without fail, he got up early and checked the newspaper, to make sure his numbers hadn't come up. *What a genius I am! Saving so much money by not gambling. And using it instead for a socially redeeming purpose!* He felt so good that he decided to increase his efforts at wealth redistribution. He made some quick calculations. *Let's see, I'm 50 years old and have at least 25 years to live, call it 20. Divide $300,000 by 20 and get $15,000 a year. Gladys has some family money. If I live extremely frugally, I can make it on $5,000 a year. That means I can devote another $10,000 a year to my work. Call it $12,000. So that comes to $1,000 a month, or $250 a week.* Adding this to the $500 he was already dispensing raised the weekly amount to $750.

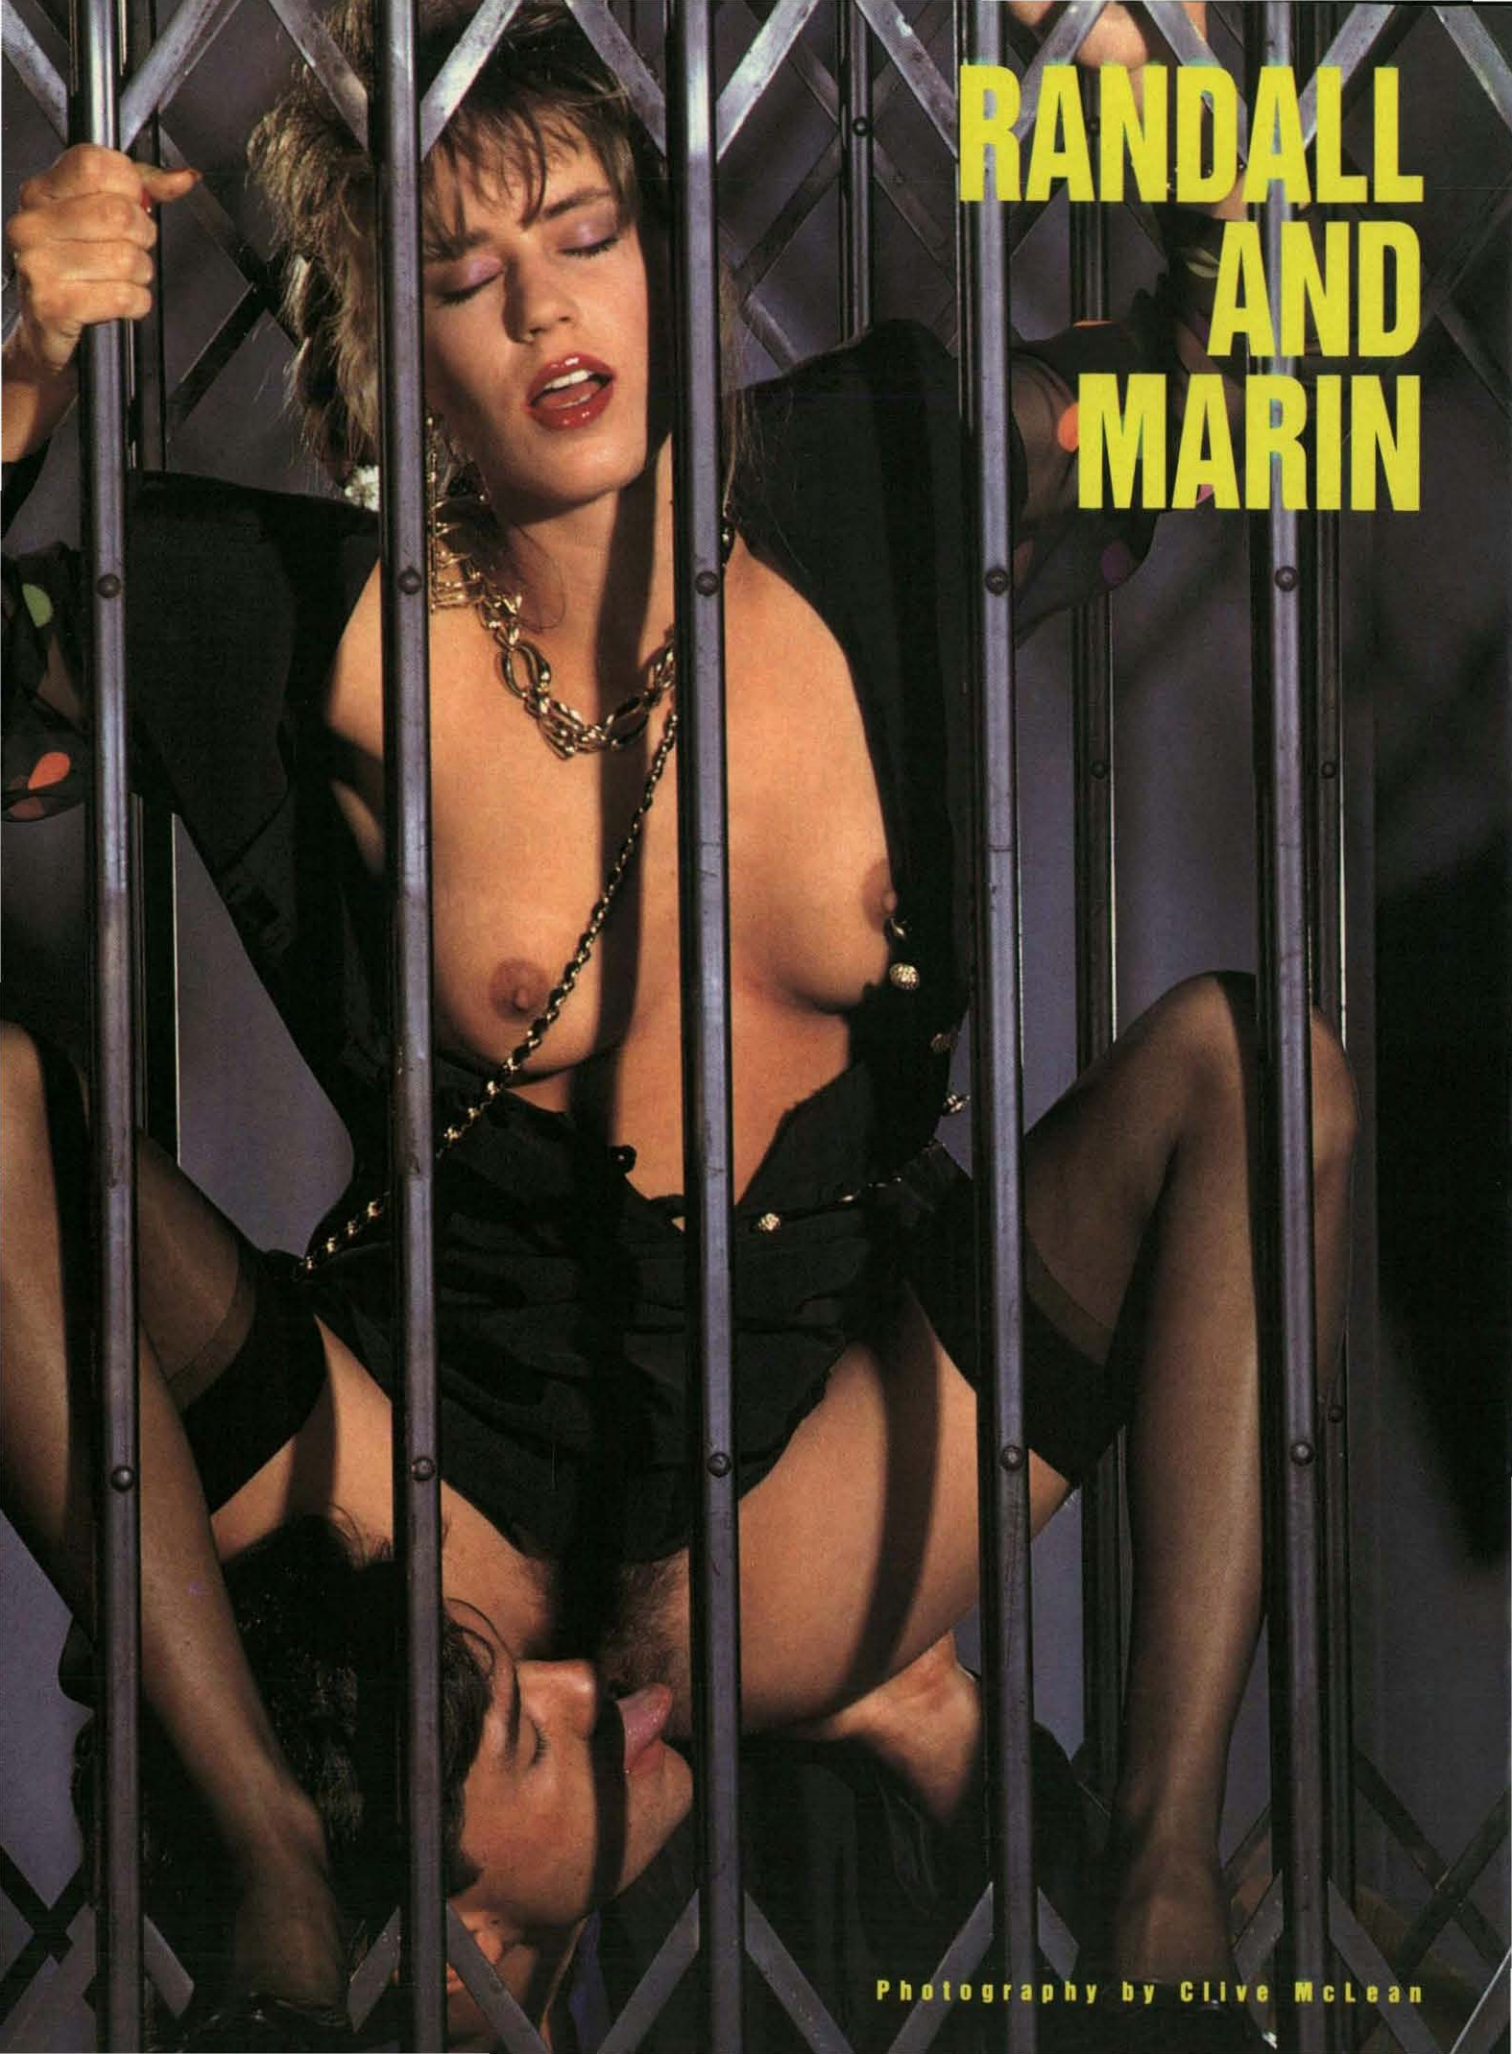

He started playing with the numbers again. He refigured his life expectancy. *Realistically, I probably won't make it past 60; so that gives me another few thousand a year to not gamble with, which works out to an additional $100 a week.* This brought the weekly amount up to $850. And because Bernard was basically a simple man, he decided to round it off to $900. This increase immediately presented him with the problem of acquiring that many dollar bills each week without attracting attention at his bank. *Don't want to cause any suspicion, like having the teller think I'm an addict or something,* he thought. So Bernard spread his remaining capital around to five different banks. Every Monday he went to a different one and got

45 $20 bills. Next he took these bills to several different stores and cashed them outright. This took him half a day. By noon on Mondays, he had 900 $1 bills, ready to fly.

After these adjustments, B.A.L.L.S. worked without a hitch. For two whole years, Monday through Thursday nights, Bernard threw dollars out of his car in all the poorer parts of town.

One Friday morning, his numbers came up: They won the lottery. Two, 4, 8, 16, 32 and 48. He checked the newspaper many times. And he checked and rechecked his notebook, to make sure that this specific set of numbers was sequenced to have been bet on this particular lottery round. *I would have won!* Bernard wailed in his little home. It was a silent, mental scream; for what would Gladys have thought? *Millions!* The jackpot was $45 million that month. *If only I'd played.... Just one measly ticket.... I could have won millions....* The thought was devastating. *Oh, my God! Oh, oh, oh!*

Ordinarily, Bernard took Fridays off from working at B.A.L.L.S., but that Friday, he was so upset that he went to the banks—and also the cash machines—and took out $1,500 in twenties. He spent all afternoon changing them for ones, which he redistributed that night. He got home after dark, telling Gladys that his GA meeting had run late that night. He couldn't sleep. Gladys rubbed against him, but found a rubber band where his steel pole had been. At five o'clock in the morning, he went back to work, hitting the cash machines for another $1,500. That was 75 twenties, and he didn't have time to cash them at 75 convenience stores; so he just went ahead and threw the twenties out of his car window. Immediately he felt a rush of relief and gratification. It reminded him of the first five-spot he distributed four years ago on his first day of inspiration.

By dawn on Saturday, the $1,500 in twenties was gone, and Bernard went home to sleep. Gladys was out socializing with her women's club. For two hours he lay on his mattress, but he couldn't rest. His mind raced. He became increasingly agitated. *I would have won! Oh, my God!* It was like an enormous fish that he'd hooked and played with for all those years, only to have it break the line. Numbers danced on the ceiling above him. Images of the handwritten numbers in his notebook matched the numbers printed on the front page of Friday's newspaper. The numbers matched and matched again. But the $45-million trophy fish had slipped away.

By the time Gladys returned home a few hours later, Bernard had come to his senses. He still had B.A.L.L.S. The thought of all the happy people who had found his money over the years made him feel a little better. Gladys puttered in the kitchen, preparing dinner. Bernard sat in his favorite chair in front of the TV. When he finally began to relax, the digits started dancing before his eyes again. "Oh, my God. Go away! Please go away!" He screamed and thrashed about on his neck. "What's that, dear?" called Gladys from the kitchen. "Something good on Channel 9?" He silenced himself. The numbers glared at him from the ceiling. He closed his eyes. They shimmered against the backs of his eyelids. The numbers in his notebook, and the numbers in the newspaper—*They match, of course they match,* thought Bernard miserably. *I'm a pro. I knew I could pick 'em. If only I'd kept playing. If only!*

He jumped up and rushed out to the car. He sped to the closest cash machine and began pushing buttons as fast as he could. The screen told him he couldn't withdraw any more money that day. He stopped punching numbers momentarily. "There's gotta be some way," he muttered as he stabbed frantically at the buttons. "I've beaten the system at Reno. I oughta be able to crack the code on *these* damn things!" The machine kept repeating its message, and Bernard kept punching, his right arm tracing a pulsating arc, like that of a crazed gambler pulling the crank on a slot machine.

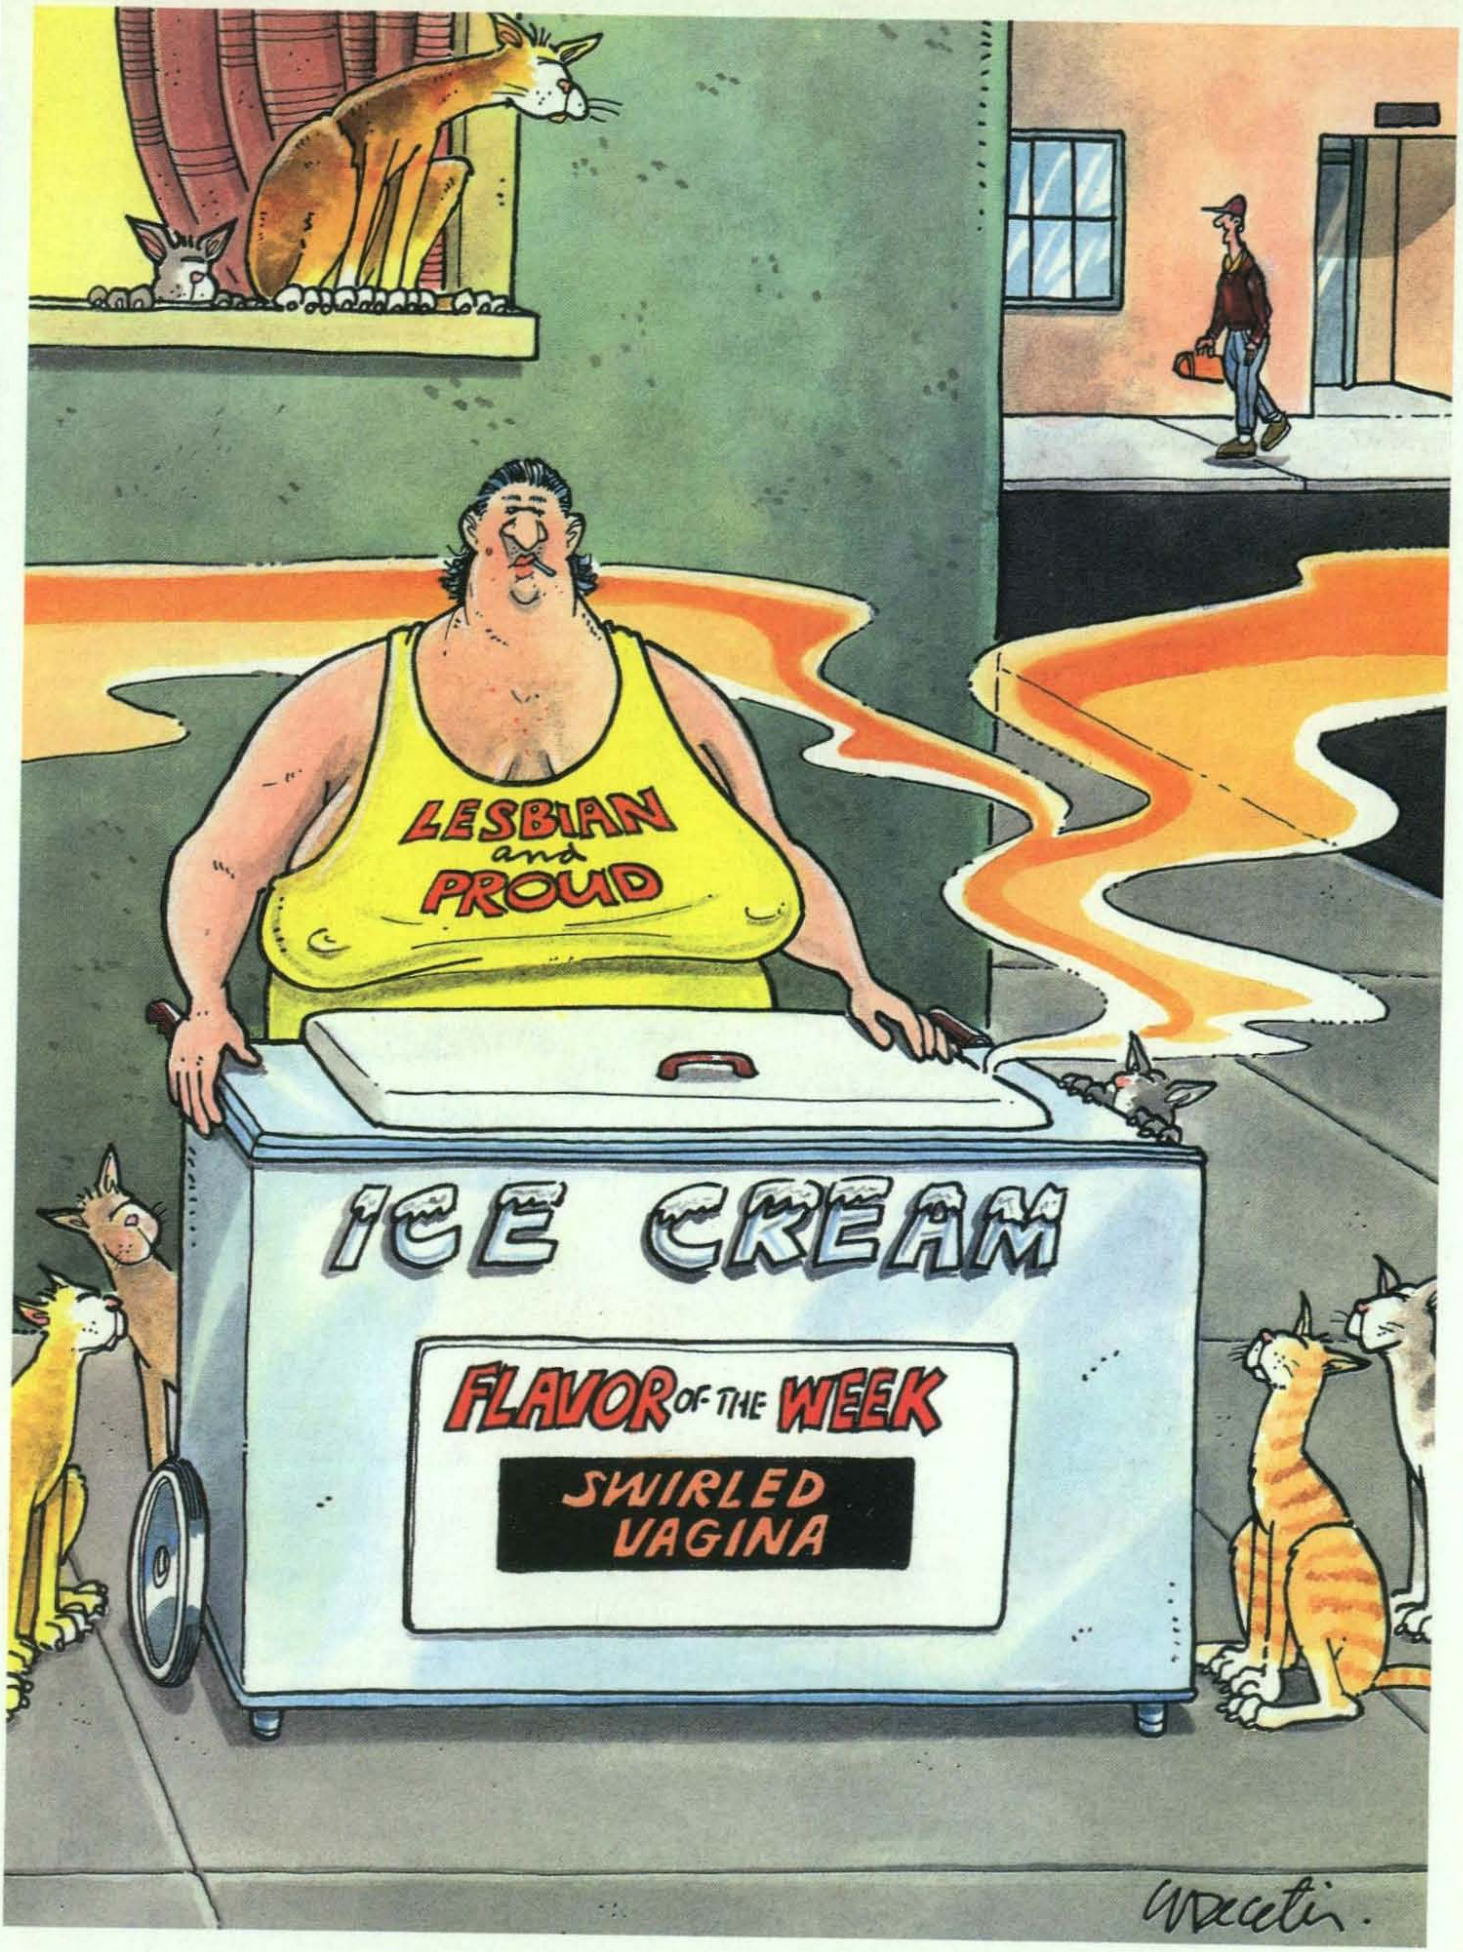

He drove to another cash machine. The message was the same. He tried a third and fourth, without any luck. "Damn!" he cursed, beating his fists against the plastic keyboard. *Why won't these babies fork over?* he wondered. *Screwy things must all be linked together electronically.* He drove home to wait until Sunday morning, when he'd be able to use the cash machines again.

He managed to calm himself somewhat. He woke up eager to get to work. All Sunday he took as much cash from as many cash machines as possible. He distributed the money that night, and as he neared the end of his supply, he began to grow frantic. The numbers started flashing again, bombarding him—2, 4, 8, 16, 32 and 48! "What did I ever do to deserve this torment?" he wailed. "Oh, how could I have been so stupid? B.A.L.L.S. would have been famous all over the world! Bernie, you fool—you could've been the greatest gambler in history!"

Back at home late Sunday night, Bernard began to think about ten o'clock Monday morning, when the banks would open their doors once again. He tried to distract himself

of Whitehead's flopping body races through my mind.

There's no question as to what happened to Rodney King. Millions of people were able to watch his beating on television. Unfortunately for Alvin Whitehead and his family, there was no videotape to show what really happened to him in the field before he was brought into the jail.

According to police records, Whitehead, while at his home residence, decided to take his young daughter for a walk around the neighborhood. At the corner of Florence and Western Avenue, he flagged down a motor officer and told him that he had "found this little girl." He then told the officer that he was high on angel dust and started to babble incoherently. The motor officer then called for a police unit to back him up. The report states that Whitehead started swinging at one of the officers and was handcuffed and placed in the backseat of the police car. While en route to the 77th Street station, he became combative and kicked the officer who was driving the vehicle in the back of the head.

There are a few questions still unanswered as to what happened next. The arresting officers state that the choke hold was used to restrain Whitehead. An eyewitness claims that the police used a baton across the neck to subdue Whitehead. The officers state that Whitehead was merely unconscious when he entered the jail. The doctor says he was dead.

There were three autopsies performed on Alvin Whitehead. The first, conducted by the county coroner, showed that Whitehead suffered "blunt trauma" and a fractured spine after the applied choke hold. The drug PCP was found present in his system.

A second autopsy, requested by the family, showed damage to the spine and marks conclusive to a baton applied to the neck.

A third autopsy, performed by the county, determined that the marks on the neck could have been the result of a struggle combined with a bar-arm control hold.

Because of the case surrounding Alvin Whitehead, the use and application of the choke hold was banned from the police department; the arresting officers were exonerated of any wrongdoing. The taser gun was introduced, and the baton was used much more frequently in restraining arrestees, resulting in a greater amount of injuries.

It is my opinion that the choke hold should be reinstated. If it is used properly, the Rodney King incident and other forms of so-called police brutality may very well be avoided.

"I think it's about time you start wearing a bra."

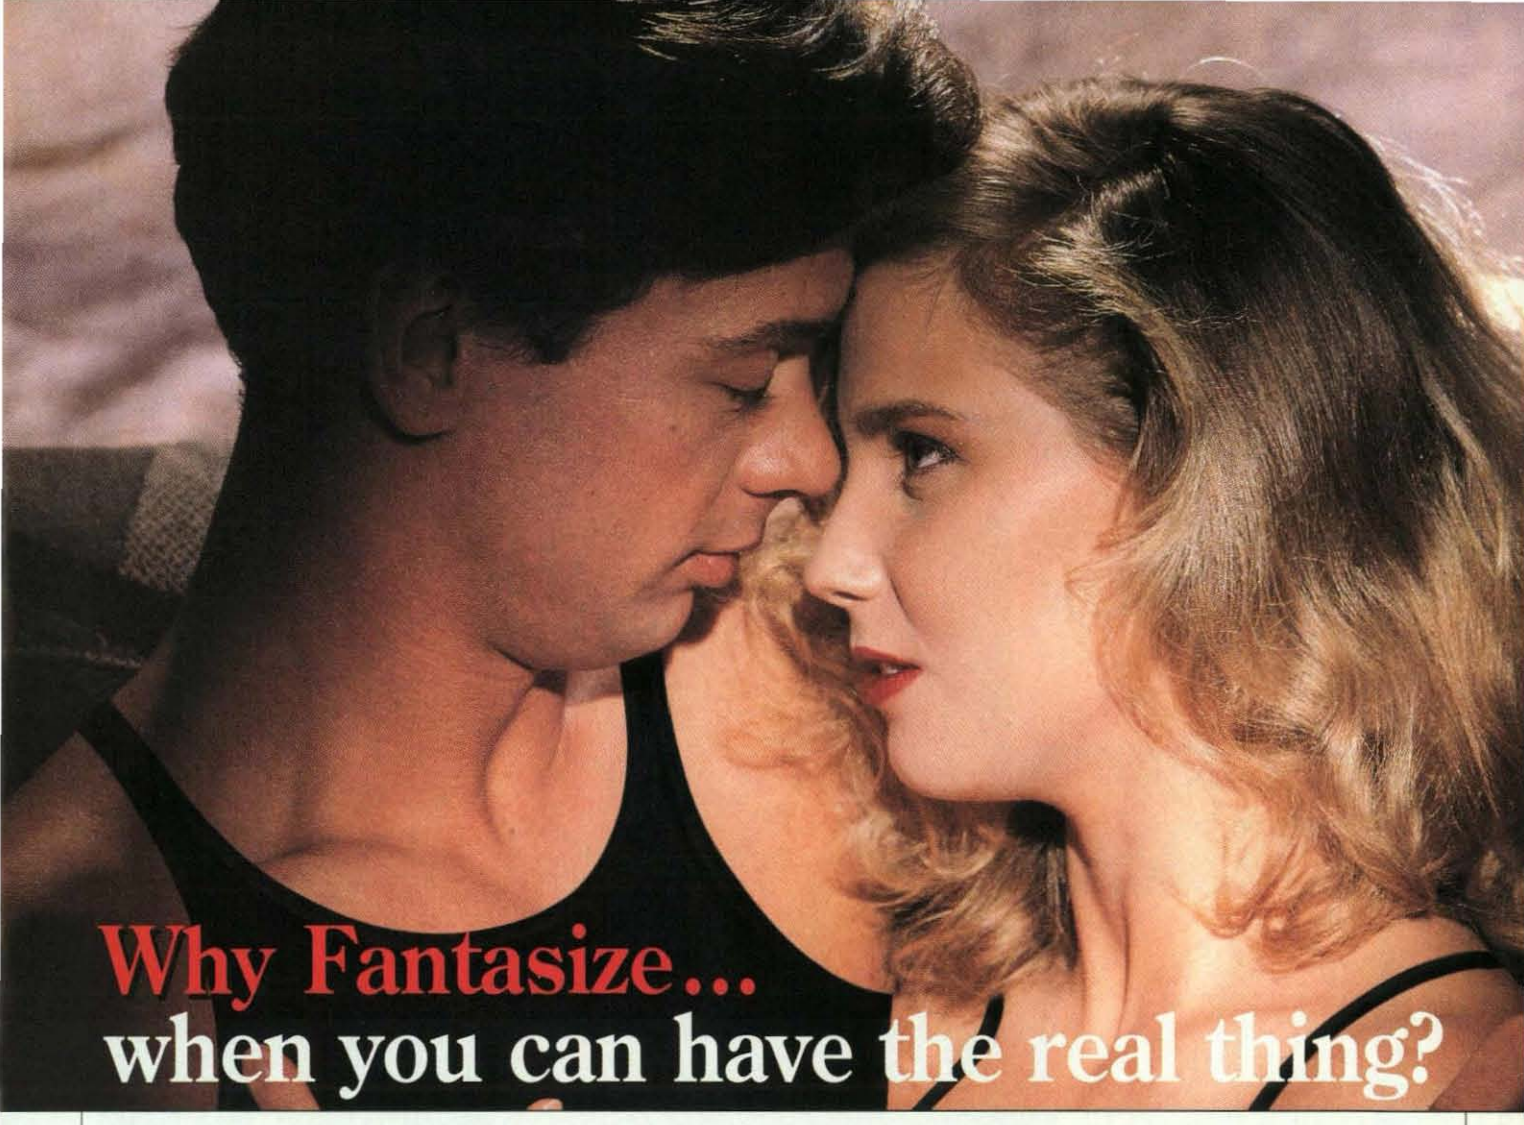

B.A.L.L.S.

by helping Gladys with the breakfast chores. He wasn't hungry. His toast and coffee sat on the table, untouched. "Waste not, want not," remarked Gladys. He didn't answer. *What can I do?* he thought. *I'll never be able to hold out until ten. Gotta do something now.* He tried to eat his breakfast, but the horrid numbers floated on his coffee and covered his toast like a hideous all-digit jam. It took longer than eternity, but when ten o'clock came around, Bernard sped to his five banks and withdrew $500 in twenties from each. He worked hard distributing these large bills all afternoon, as fast as he could in the daylight.

By nightfall, he was exhausted and went home to sleep. He woke at 3 a.m. and went straight out to play the cash machines, cranking out as many twenties as they would allow. He distributed these quickly under the cover of darkness, then began waiting anxiously for ten o'clock Tuesday, when the banks would open again. The numbers flashed everywhere now. He prayed for sleep, but in vain.

Late that night, Bernard listened to Gladys's gentle snores and clutched his five bank books. His mind raced. His thoughts accelerated. *My head will explode! Oh, my God! They know I come every Monday morning. What will they think when I show up on Tuesday? What will they do when I want to withdraw not just my usual couple hundred dollars worth of twenties, but thousands? Might as well get $100 bills. It'll be much more efficient than trying to distribute all those measly twenties.*

By nine o'clock, Bernard was unable to remain at home any longer. The numbers covered every surface. They glistened in the air. They attacked him. He rushed out and started his car. It was coated with numbers. Two, 4, 8, 16, 32 and 48. He gripped the steering wheel so tightly, the blood stopped circulating in his hands. It was raining digits. Two, 4, 8, 16, 32 and 48. He turned on the windshield wipers, but they wouldn't go fast enough. The torrent of numbers hitting his car made a deafening noise. They were so thick, he couldn't see. He turned on his headlights. He pressed down on the accelerator, and his foot hit something. He looked down at the floor of the car and spotted a wad of $20 bills. *Thank God!* he thought. *Must've forgotten to distribute those babies last night!* He grabbed the entire wad and threw it out the window. The twenties flew in all directions behind his speeding car. "Yes, yes, yes! That'll show 'em! Not gonna hook me! Take that, you bastards! There's more where that came from!" He drove on to the first bank. Got there at 9:30. Waited anxiously for the doors to open....

You Can

ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM!

HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

Let Scott Taylor "King of Penis Enlargement" show you how!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of Super Porn Stars, Scott Taylor, Jeff Stryker and the hundreds of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the SUPRA-12 VACUUM ENLARGE. A safe and proven natural way to add inches to penis length and thickness. With the SUPRA-12, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. You'll see the astonishing results the first time you use your SUPRA-12. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG. . .how really FAT. . .how LONG. . .how HARD and STIFF your own penis can get! And after regular sessions with the SUPRA-12 you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The HEAVY DUTY MANUAL model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. And for the connoisseur, the powerful ULTRA DELUXE ELECTRIC model (U.L. approved) is equiped to give you continuous even sucking power until you shut it off! The ULTRA DELUXE ELECTRIC is perfectly safe and as quiet as a whisper.

Accept no substitutes if you are truly serious about penis enlargement – join the more than half a million men who have proved that the SUPRA-12 will do the job for you!

FREE! $24.95 HOW-TO-VIDEO *with every* PUMP ORDERED!

SCOTT TAYLOR TAKES YOU STEP-BY-STEP AND SHOWS YOU HOW TO ENLARGE YOUR PENIS!

He'll show you what phenomenal increases he has made in both the length and diameter of his penis with careful experimentation. Finally, he has hit upon the most efficient enlargement method to date! This video tape is a full color, detailed, step-by-step explanation by Scott of what you need to know to increase your own genital size.

FULL DEMONSTRATION BEFORE YOUR EYES! ANSWER ALL YOUR QUESTIONS!

- Find out exactly what is happening to your penis to make it grow longer and thicker!
- Discover what the enlargement process really feels like!
- Find out how big you can expect your penis to get!

Plug in and turn on!

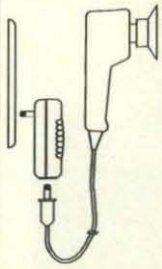

humdinger™

The Humdinger massager modulator modifies the power to your vibrator to create an amazing new sensation. Instead of a continuous hum, the vibrations come in bursts, about eight bursts per second. You still have the high and low speeds most plug-in vibrators have, but the power is being switched on and off rapidly. Try flipping your vibrator switch off and on as fast as you can and you'll get an idea of the effect. You'll never want to use your vibrator without your Humdinger again. Find out for yourself without risk:

Do you want a huge dong?

Have you ever envied those who had them...erect measurements of 9, 10, even 11 inches. We wish we could promise you that 11-inch equivalent of the Hebrew National Salami, though we'd be lying if we did. But if you are average hung **WE CAN AND DO** promise you at least an 8-inch ram-rod in less than 8 weeks. Won't she be surprised when she sees it? And won't you feel ten times the man you used to be when you slide it in and reach the end? **SAFE TO USE.** No drugs to take, no lead weights to wear, no anesthetizing creams to use. And the most amazing part is the price...only \$9.95. Imagine, an 8-or-more-inch cock in 8 weeks or less for just \$9.95...practically nothing when compared to the pleasure you and your partner will derive from it. **DON'T WAIT.** The sooner you get started the sooner you'll have your new, giant, ram-rod. Send \$9.95 plus \$2 postage and handling to:

What Four Sex Doctors Do In Bed

Everything you believed about sex is no longer true!

This is an explosive book. Four sexologists, Drs. Crawlay, Malfetti, Stewart and Vas Dias, unveil their sexual techniques and secrets.

- If you are a woman, you are going to discover how to keep (really keep) a man through his senses.
- If you are a man, you will discover the techniques that will make you a sexual partner who will be relentlessly pursued.

New Sexuality

For perhaps the first time, here is a book that shows you exactly (and explains in great detail) what to do—and how to do it. Some of the advice and techniques will amaze you. You will also learn about certain key errors to avoid. This book also reveals:

★ A simple technique for being a "performer" and avoiding failure if the sex act worries you.

★ How to stimulate sexual desire in a woman without her even knowing it.

★ Two little-known techniques that speed up a woman's orgasm.

★ How to make your partner more eager for sex.

★ What a woman really looks for in the sex act.

★ Complete orgasm involves three phases—how to induce them.

★ How to prolong the peak of your orgasm (this alone is worth the price of the book).

★ The apparently innocent caress that excites eight out of ten women instantly.

★ What a woman loves to have done to her first.

★ A little-known technique but so simple that greatly increases sexual pleasure.

★ How to absolutely avoid premature ejaculation.

The most surprising part is yet to come . . .

"Sex Life" answers all the embarrassing questions you would like (but don't dare) to ask a sexologist. In this powerful 167 page volume, every detail is clearly explained in plain language that anyone can understand: impotence, homosexuality, sexual incompatibility, contraceptives, frigidity, sexual diseases, vitamins, hormonal creams and lotions, orgasm, inhibitions, masturbation, prostitution, and other important subjects.

Whatever problem you're interested in, you can be sure it will be dealt with thoroughly and practically.

I don't know of any book to date that deals with sexual pleasures and needs in such detail, and with the experience of four sexologists. Nothing is more attractive to the opposite sex than a "virtuoso" of sex. Thanks to this book, you can be one.

YOU CAN HAVE A LONGER, THICKER, HARDER PENIS NOW!

You can have erect measurements up to 12 inches! Enlarge your penis to its maximum potential!

THE WORLD'S BEST SELLING PENIS DEVELOPER NOW OFFERED AT A FRACTION OF ITS ORIGINAL PRICE!

Have you ever been embarrassed by the size of your penis? Have you tried to convince yourself it's not how big it is but how you use it? As long as your sex partner needs to be completely filled, you owe it to yourself to do something about a larger penis now!

Our penis developer will increase penis length, thickness, and make your erection harder and stiffer.

Did you know a woman's vagina will stretch and enlarge to accommodate a large penis? Imagine her excitement as you penetrate deeper than you ever have before.

How does our penis developer increase your penis length and diameter?

The answer is called hypermia, a medical term to describe blood filling into caverns of your penis. The caverns expand causing your penis to grow in size and diameter. The superior pump action and sealed vacuum of our penis developer urges your penis to grow to mammoth proportions. Our penis developer is not just a vibrator like some electric units you may see advertised. Remember, it is the precise slow super pumping action of our space age designed penis pump that builds your penis larger than you ever dreamed possible.

NOTICE: Our hand held penis pump as shown is not an electric massager or vibrator unit which may be dangerous, especialy with liquids and gels, and cause electric shock and possible injury.

Act now if you are interested in penis enlargement. TAKE ADVANTAGE OF THIS SPECIAL OFFER NOW!

NEXT MONTH IN HUSTLER

Special Holiday Issue on sale October 29, 1991

SANTA'S LITTLE HELPERS

HUSTLER unwraps five comely stocking stuffers in its first-ever Special Holiday Issue. First off, jizz-magnet Raven tops a blistering year of incendiary sex with a ball-bursting, gang-banging sploogefest; a black-topped French gamine melts the snowy door to her little-girl crack with smokin'-red lips; gold-digging Honey of the Year Amber Lynn polishes the glistening walls of her celebrated nectar well; the open-air antics of a nut-brown, nipple-strutting, Hawaiian sugar baby make the big island bigger than ever; and two gash-grinding fashion models connect beauty marks with twin trails of tongue tinsel. Get up early and see.

HARD ROAD TO HO'

There ain't many jobs for young, brainless babes that pay $60 to $100 an hour these days, but one comes to mind. Today's cunt consumer won't find a more comprehensive and practical guide to sniffing out the choicest working girls than callgirl connoisseur Al Hazrad's *Girls in the Pocket,* a city-by-city review of the best—and worst—sellers' markets.

SCHLOCK TREATMENT

Trash-filmmeister David Friedman, great granddaddy of the splatter/slasher/gore film genre, first broke the blood barrier with his legendary shock flick *Blood Feast* in 1963. Filmed in Blood Color, administered with complimentary vomit bags, *Blood Feast* remains the standard by which the gross gross out. Writer James W. Harris unspools the stomach-churning career highlights of the King of Sleaze in *Gag Rule,* the story behind the man behind the world's first nudist musical and Skinamascope.

ON ON-HER! ON SPRITZEN!

A trilogy, or a never-ending story? Writer Alex Marvel's plugged ugly, dicked dumb, and now he's fucking nuts. His Holiday Issue *Sex Play,* "Crazy on You: Screws-Loose Sex," makes a martyr out of Marvel; *Hot Letters* forwards the hot-and-hidden holes of the holiday season; *Beaver Hunt* breaks out the Pussies of Christmas Present; and *Bits & Pieces* presents "HUSTLER's Holiday Gift Guide" in plenty of time for last-minute schtuppers. The angel on top of the tree? That's HUSTLER's special Holiday Honey. Ask her in.
